

A Touch  
of Class

Some students aren't cooperative about having their picture taken.

Sophomores wait for passing period.

What is class? "Class never runs scared. It is sure-footed and confident in the knowledge that you can meet life head on and handle whatever comes along.

Class never makes excuses. It takes its lumps and learns from past mistakes.

Class is considerate of others. It knows that good manners is nothing more than a series of petty sacrifices.

Class bespeaks an aristocracy that has nothing to do with ancestors or money. The most affluent blue-blood can be totally without class while the descendant of a Welsh miner may ooze class from every pore.

Class never tries to build itself up by tearing others down. Class is ALREADY up and need not strive to look better by making others look worse.

Class can "walk with kings and keep its virtue and talk with crowds and keep the common touch." Everyone is comfortable with the person who has class because he is comfortable with himself.

If you have class you don't need much of anything else. If you don't have it, no matter what else you have, it doesn't make much difference."

# All participate in Homecoming

What started out as just an idea, soon became the talk of the school. This year's Homecoming theme, "You Light Up My Life," became a reality Saturday October 15, 1977. The day began with the annual parade down Glenview Road. After the parade students traveled back to GBS for the pancake brunch sponsored by the Dad's Club.

The football team had nothing but the afternoon game against Waukegan East on its mind. GBS fans were not disappointed with the 47-6 win. To end a perfect day, students danced to the music of "Odyssey." At nine o'clock this year's Homecoming queen, Lynn Wilson, was announced. So ended the 1977 Homecoming.

# Glenview ranks twenty-third

Ranking twenty-third on the socio-economic scale among Chicago suburbs, Glenview was placed in the top 15 percent of desirable communities. Glenview offers a wide variety of activities.

In many ways the school involves the community in its activities. For instance, Key Club is a community service organization. The community helps this club by supporting its many fund raisers. The community plays a big part in Homecoming. The village merchants allow students to paint their windows to show their support in school activities. Glenview, with its many parks and extravagant architecture is a scenic town.

"The Class with Class" was this year's theme of the 1978 seniors. Although the seniors had a rather large financial deficit from the 1977 Prom, they worked to overcome this by raising money through bake sales, sock hops, T-shirt sales and the running of the concession stand.

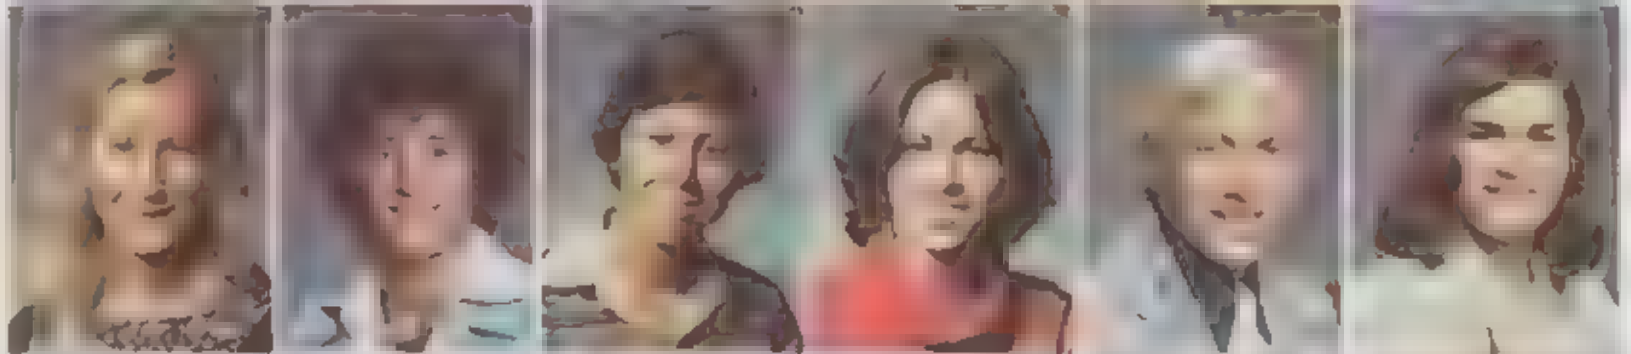

Sponsoring the dance marathon was a joint effort between the class and the Key Club. The dance raised money for charity. Mr. Donald Allen, this year's Senior Class adviser, said that this year's senior class compared very favorably with the past senior classes in these areas.

When asked how this year's senior class compared with past senior classes, Brad Suesman replied "I feel we are better. We have a bigger class board, and seem to come through in the clutch."

# Vandalism fails to discourage Junior Class Homecoming spirit

According to the Junior Class Board adviser Mr. "Doc" Mutchmore, the Class of '79 is a very dedicated and responsible group. They have faced many problems, but one wouldn't realize it because of a joint effort by the many devoted members.

Vandals hit the Junior Class the hardest. The homecoming float, which tied for first with the seniors, had to be partially rebuilt at the last minute. Christmas spirit was dampened by the burning of Junior decorations shortly after completion.

Financially the class is well off. The selling of school mugs and candy canes helped them finance the Junior-Senior Prom. Having fulfilled one goal, the other was to represent the attitude of the Class of '79 in both school government and social services.

As a departing tribute the Junior Class, Mr. Mutchmore states, "It has been a pleasure to assist the class of '79. My sincere regards and best wishes go with them."

# Sophomore goals: 'Keep spirit up' and 'everyone working together.'

The Sophomore Class is trying hard to keep ahead of the freshmen. Halfway between entering GBS and leaving it is a time of trials and troubles for the Class of '80. Competency exams prior to graduation and English departmental exams are now not only articles in newspapers but realities for GBS sophomores. However, Nancy Gilligan, vice-president, says that the sophomore group has a lot of enthusiasm and pride. "We go full force and accomplish what we want to do."

Hard work and determination are evident since the Sophomore Class is the only class out of debt this year. The sophomore Homecoming float took second place after the first place tie between seniors and juniors. A sock hop brought in funds. Many other projects also raised revenues.

This year's class officers are Steve Donovan, president; Nancy Gilligan, vice-president; Becky Johns, secretary; Cindy Alspaugh, treasurer.

Sophomore cheerleaders reflect the sophomore spirit with enthusiasm and a touch of class.

# Close encounters of a different kind: South embraces freshman

The ever-famous Frosh have survived their first year at GBS. This year's Freshman class has sponsored a sock hop and a homecoming float, run the refreshment stand at football games and also sponsored a car wash. Profits from these projects go to the Freshman Class board whose purpose is to determine the activities of the freshman students at GBS.

Class officers of the graduating class of '81 are Jake Daab, president; Ken Salger, vice-president; Lizzy Hendricks, secretary, and Linda Feldman, Treasurer

Mr. James Hoagland, freshman class adviser, describes this year's freshman as "multi-talented" and commented that this class was as motivated and responsible as any of the previous classes at South

Freshman year is a time of ups and downs. Each student must find his own staircase to success.

# Admits become obsolete

This year, a new member was added to the Administrative staff. Mr. Stephan Gale was appointed assistant dean of students. In addition to a new member, a new policy was instituted. If a student's excuse is phoned in, he is placed on a list circulated to all teachers. Therefore, the student is not required to obtain an admit. The policy involves less paperwork and is more convenient for both teachers and students.

The Administration also adopted a new cheating policy which put the final decision in any incident into the hands of a special review board.

# Science, Math

The computer age is upon us. Hand held calculators are required in seven math courses in addition to the regular computer course. Calculators, contrary to popular opinion will not allow a student's brain to go to waste. Small calculators only supplement work in the lengthy computation that are required when students are in the advanced math classes.

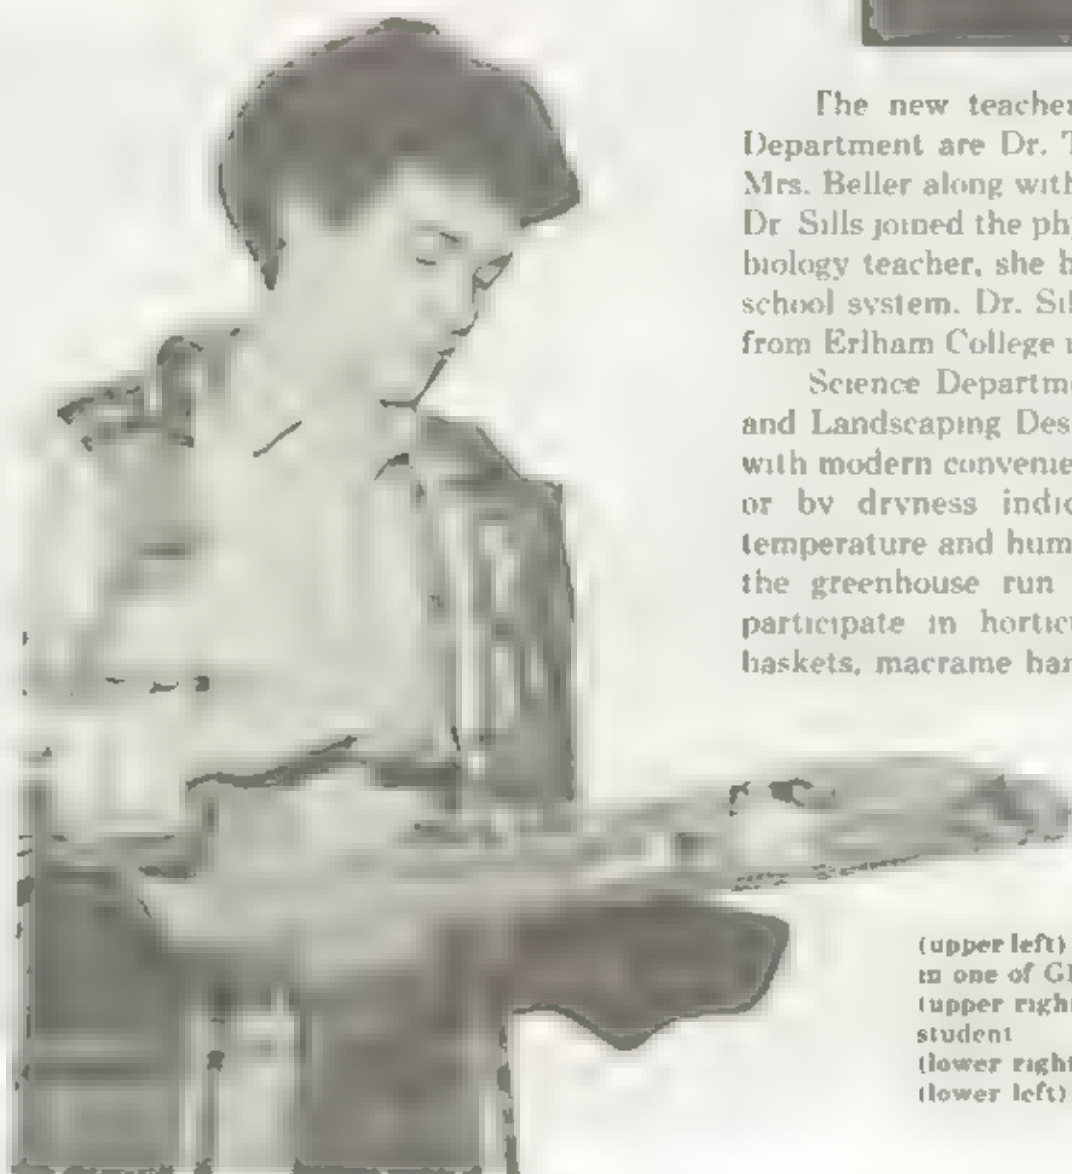

The GBS Math Department also hosted the fifth annual North Suburban Mathematics field day. This was South's first time as acting host. For the field day, the math department chose two teams to compete. The first team consisted of five juniors and seniors, and the second team consisted of five freshmen and sophomores. Thirty schools will participate in this math field day.

Mr. John McConnell, before the contest, said, "We will aim to place fourth in the state annual math exam." Another goal of the Math Department is to have over 100 students participate in the Atlantic Pacific Mathematics League contests which are held Wednesday afternoons six times during the school year.

# Stress participation

The new teachers that arrived for the Glenbrook South Science Department are Dr. Tom Sills, Mr. Ron Harris, and Mrs. Helen Beller. Mrs. Beller along with Mr. Harris joined the biology teaching team while Dr. Sills joined the physics group. Although Mrs. Beller is only a part time biology teacher, she had experience in teaching full time in the Chicago school system. Dr. Sills came from Purdue University, while Mr. Harris from Erlham College in Richmond, Indiana and Northwestern University.

Science Department started a new program, Greenhouse Operation and Landscaping Design (GOLD) this year. The greenhouse is equipped with modern conveniences. It has sprinklers that operate either by timers or by dryness indicators. The greenhouse also has an automatic temperature and humidity control. These features make it possible to let the greenhouse run itself during the weekends. Students learn and participate in horticultural areas. Activities include making hanging baskets, macrame hangers and terrariums.

# Curriculum Advisory reorganizes

Several important curricular developments took place in the Social Studies Department. The most significant change was the introduction of a reorganized History of World Civilization 163. Previously, this required course was offered as a historical survey of the development of human civilization. The course was significantly expanded to include a variety of related social sciences. Students in this course no longer study just History. They also gain first hand experience in economics, political science, sociology, anthropology and philosophy.

A Curriculum Advisory Committee, which is made up of students, parents and teachers, was formed this year. The primary responsibilities of this committee will be to evaluate the current program of instruction which is offered by the department. The committee will also be responsible for the long-range planning which will ultimately determine which courses of study will be changed, dropped or added during the next three to five-year period. Each group participating in this committee has a unique viewpoint concerning what the current social studies program is now and ought to be in the future.

Seems like the U. S. History teacher cracked a joke for his class to laugh at

# Foreign Language Week declared

During the carnival that the French students celebrated, they had a party by making sculptures out of the snow.

Mrs. Ryskiewicz reads the answers to her Spanish students while they correct their papers.

Sue Bold explains first-year French grammar to Tammy Gutner (right).

The Foreign Language Department provided many activities for the 1977-78 year. Most of the activities that were planned were trips, and Foreign Language Week was introduced this year.

Foreign Language Week was developed because a politician declared that foreign language wasn't stressed enough in the United States. He was so impressed with the different languages that Foreign Language Week was declared. Most classes celebrated the event by bringing homemade delicacies from other countries.

During spring break, Mrs. Charlotte DePalma, a French teacher, planned for French students to have the opportunity to visit Montreal and Quebec, Canada. Mrs. DePalma, along with her husband, chaperoned the group. Quebec and Montreal, the world's second largest city in French speaking population, was toured to acquaint the students first hand with French culture. The visits included museums, restaurants, schools and many other educational historical landmarks. The cost of the trip was \$400, which included meals, instructional materials, airfare, etc. The students traveled round trip Chicago-Montreal via Air Canada jet.

While the French students were going to Canada, Mr. Albert Turner, foreign language instructional supervisor and organizer of the Glenbrook Comparative Cultures at GBS, led 110 Spanish students on a field trip to see the Spanish Flamenco Ballet. It was a great change from textbooks.

A group of students from the Netherlands will be visiting the United States from June 13 to June 20. The departure will be July 13 and the flight will return on August 9.

Near the beginning of the year, many GBS foreign language teachers attended the Illinois Foreign Language Teacher Association Convention in Oakbrook. They usually meet once a year and they discuss all kinds of sessions dealing with foreign language instruction.

As new teachers Mrs. Susan Leibowitz and Ms. Diane Ryskiewicz have experienced the first Foreign Language Week, along with the veteran teachers Mrs. Leibowitz teaches French, and if a decision is made to offer Russian, she has a background in that, too. While Mrs. Leibowitz is busy teaching French, Ms. Ryskiewicz teaches Spanish.

Mrs. DePalma had a busy time preparing for the spring break excursion to Canada.

Mr. Walter Lambie, the new instructional supervisor for the Music Department is not new to teaching. He has taught at California State University in Sacramento, University of Iowa and a high school in Indianapolis. Mr. Lambie went to Indiana University, earned his Master's Degree at Butler (Ind.) University and is now working on his doctorate at University of Iowa. Besides teaching chorus, he has also organized the new group Daybreak.

Daybreak first performed at the GBS annual Christmas show. Because the theme was 'Let It Snow', the Music Department purchased a snow making machine for the auditorium. The groups that performed had a great time throwing make believe snow at each other.

The Masters Singers traveled to the University of Illinois to exhibit their talents. They performed there and as usual they were a great hit. During the Fall Festival, the chorus did the musical work of Vivaldi while the orchestra played for them. The Harmony II which was held on February 27 was a modern show. The various groups performed songs from the Broadway musical "That's Entertainment."

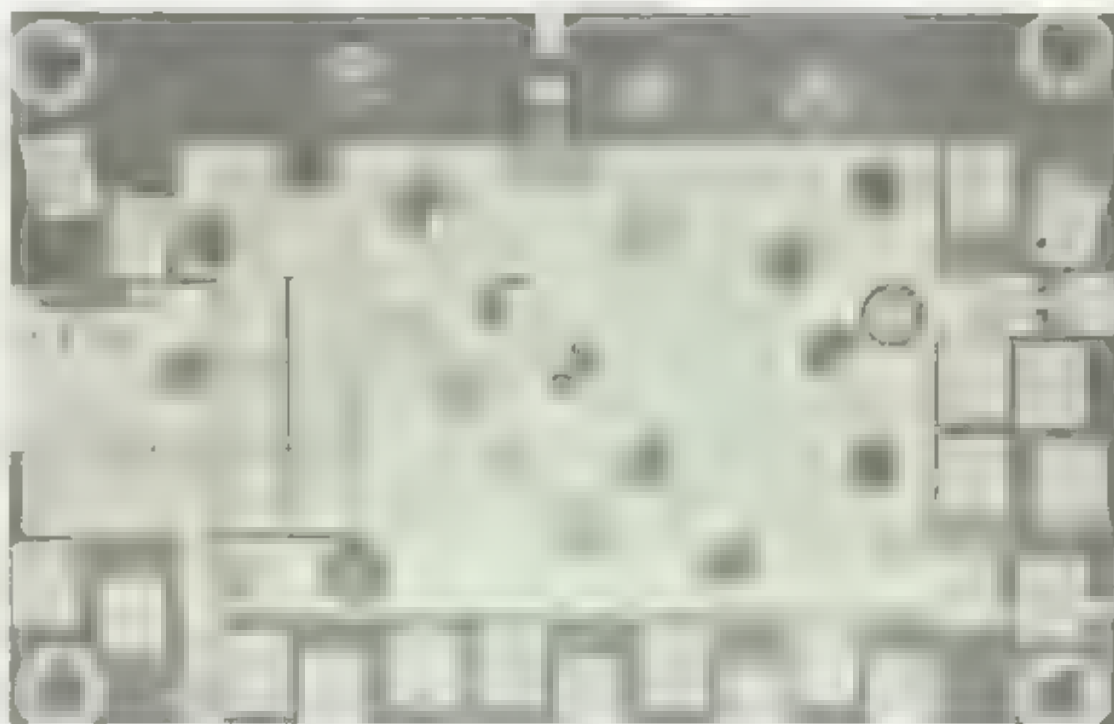

Dr. William Schmitz leads the Masters Singers in a musical number from the Broadway play *The Wiz*.

## Departments experience changes

English 373 was created this year to provide an opportunity for honor students to continue their advanced studies. A team of teachers volunteered to create objectives for the 373 classes. Some of these objectives include concentration on the writing of five-paragraph themes and the analysis of American novels.

Mr. Tom Valentin, a new teacher, who teaches the 373 course remarked, "I'm surprised how interested students are in this course. It's a lot of work, but they can handle it." Besides Mr. Valentin, other new teachers include Mr. Nicholas Dolan, Mr. Ruter and Ms. Mary Cannon.

Ms. Karen Kuehner, instructional supervisor, expressed a hope that perhaps in future years the English and History Departments will be able to work together in advanced study areas. Adventures in American literature, the English anthology, could be coordinated with the junior American History course.

Freshmen exhibit their Valentine spirit on the English bulletin board.

The Reading Lab is available to students who require extra help outside of class. Mrs. Jean Makas helps a student.

# Art completes various projects

Mr. John Laluya practices one of the art forms he learned in New York.

Ellis Vlahakis works a potter's wheel, which takes skill, time and practice.

Miss Lynn Staudacher and Dana Houck critically examine a work of art.

As head of the Art Department, Ms. Lynn Lipke led various types of projects during the 1977-78 school year.

With Ms. Lynn Staudacher, she is the instructor of the Fine Arts Committee. The Fine Arts Committee's project is to improve the art environment of GBS. Along with the improvement of GBS' art environment, its main goal is to completely pay for the two large macrame wall hangings that were commissioned for the old pit. The hangings were finished during second semester.

In past years, the committee has been responsible for the two paintings in the IMC, the water collage in the principal's reception area, the clay mural in the front hallway and the ficus trees in both pits.

Art Night was held in the Art Department as in the past years. The student exhibited their best works and also gave information and demonstrated pottery, jewelry, painting, weaving and other art forms.

Mr. John Laluya, applied design and ceramics teacher, has gone to New York City for the past two years to instruct art students.

According to Mr. Laluya, the experience has taught him many things. One good thing about this experience was that he was enjoying this teaching. It is the hopes of the instructors that the students will learn more about the professions that are open to them in the many fields of arts.

Mrs. Janet Rothwell, instructional supervisor for the Home Economics department says, "This year we're improving in the quality of our classes and not in quantity."

This fact is indeed evident. Though there were no new classes or new additions to the Home Economics staff, the interior design class decorated a new apartment in Glenview. This gave students a chance to give what they had learned—practical application.

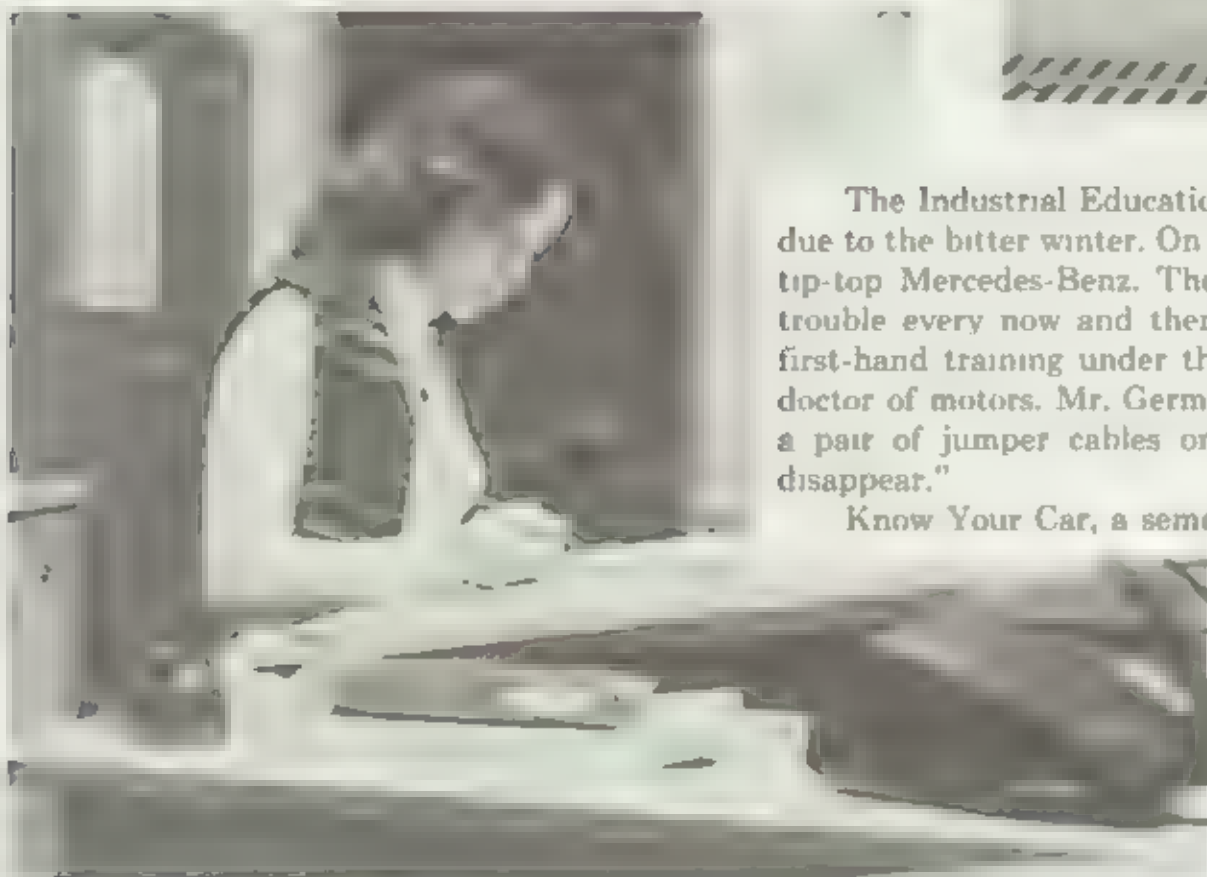

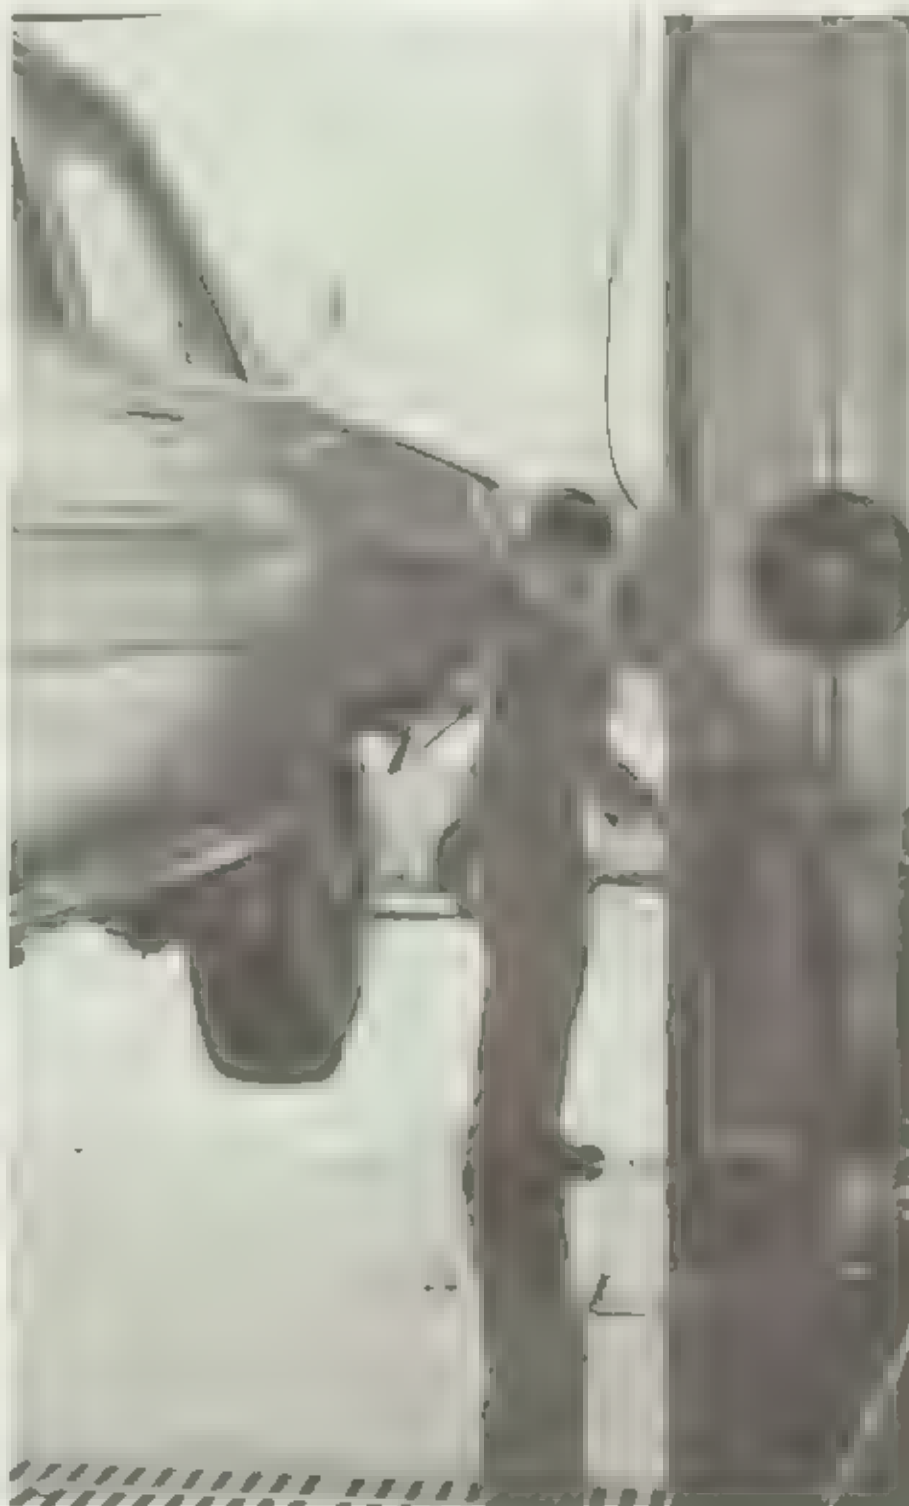

The child development program was also a popular class this year. Students were able to help out with young children in neighboring schools and day care centers.

The Home Economics Department feels that giving students a chance to use what they have learned in class enables them to have a sense of accomplishment and responsibility.

(Upper left) Mrs. Elizabeth Zerfass demonstrates the different stitches available for sewing (upper right) Mrs. Rothwell explains to one of her students how to put on a pocket. (lower right) Junior Stacey Beard dishes out one of the cooking class creations.

# teachers prepare students for future

The Industrial Education Department has been kept busy this year, due to the bitter winter. On a teacher's salary, not everyone can afford a tip-top Mercedes-Benz. The autos shop assists teachers who have car trouble every now and then. In this way, auto mechanic students get first-hand training under the watchful eye of Mr. Clement Germanier, doctor of motors. Mr. Germanier says, however, that he refuses to keep a pair of jumper cables on hand because they always "mysteriously disappear."

Know Your Car, a semester course designed to help the lay person understand the automobile, was as popular as ever this year. The course includes a week of study on the art of buying a used car.

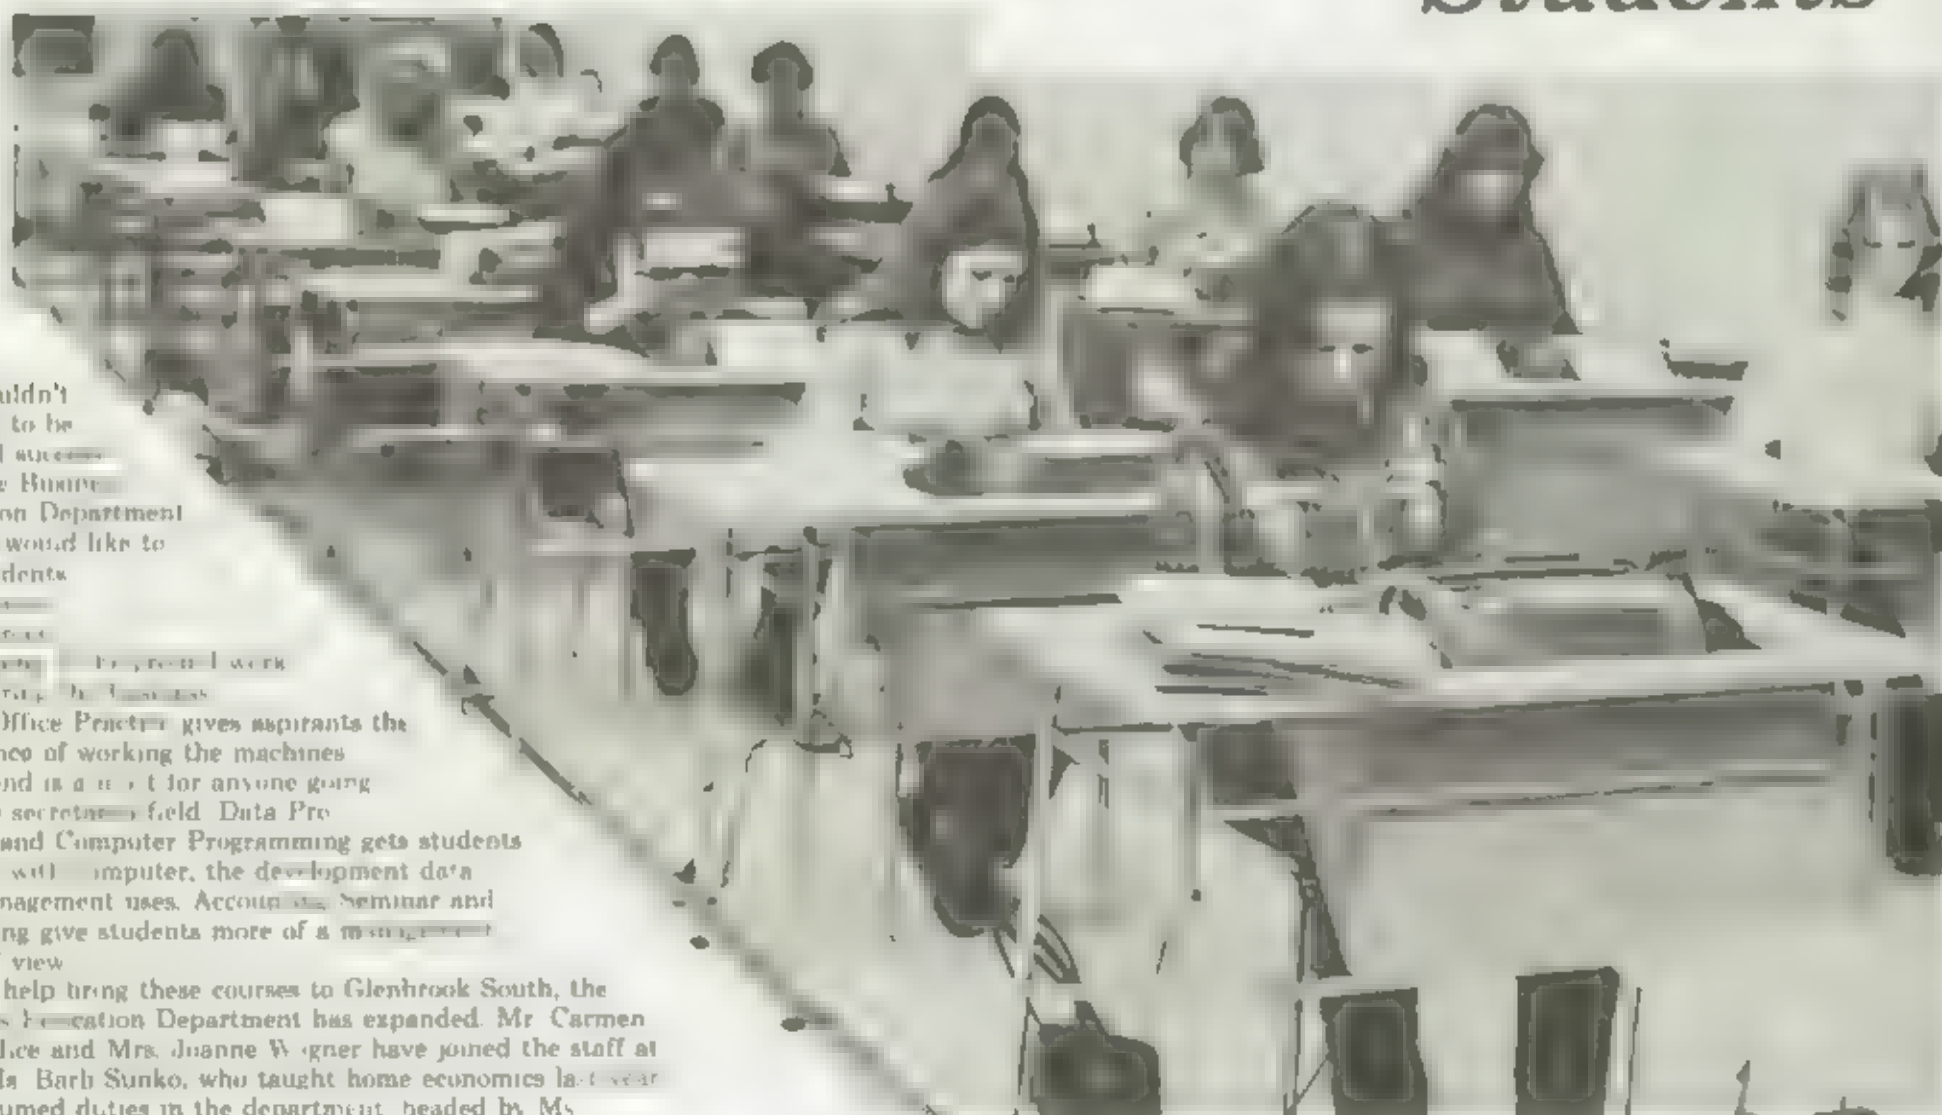

The architecture class designed "Glenbrook VII", and the building trades class executed it.

## Students

Wouldn't you like to be rich and successful? The Business Education Department at GHS would like to see students

working in the business world. Office Practice gives aspirants the experience of working the machines. Shorthand is a must for anyone going into the secretarial field. Data Processing and Computer Programming gets students

working with computer, the development data and management uses. Accounting, Seminar and Marketing give students more of a management view.

To help bring these courses to Glenbrook South, the Business Education Department has expanded. Mr. Carmen Lombardice and Mrs. Joanne Wagner have joined the staff at GHS. Mrs. Barb Sunko, who taught home economics last year, has assumed duties in the department headed by Ms. Gail Corbett.

(upper right) Mrs. Sunko looks forward to another day of teaching shorthand. (left) Toni Dini prepares for a typing time test. (below) GHS students study industriously for a future career.

The Driver Education Department had only one new addition this year, that being a new teacher. Mr. James Torsiello, who joins the regular staff for two periods a day. He attended East Leyden High School and Eastern Illinois University.

Many Students take for granted the cars they drive at school. Actually these cars are on a "free loan" from various car dealers in the area. "We feel that credit is due to Loren Buick, North Glen Chrysler Plymouth, Glenbrook Ford, and Fergus Datsun for loaning GBS these cars," said Mr. Ed Baker, driver education instructional supervisor. Without their cooperation the behind-the-wheel segment of driver education would not be possible, he added.

# IMC increases security;

Although the IMC had no additions to the library staff, there was a special addition of great importance.

The new security system was implemented to protect materials for all the students' use. Before this year, 30 percent of the library's budget was used to replace stolen books. Because of this phenomenal figure, the system will pay for itself in three years. Mr. Carl Pasco, IMC coordinator, says that he does not want to publicize how this system works. Yet, most students have found out that if a book that has not been checked out is taken through the turnstyle, a buzzer sounds and the turnstyle locks. As of yet, there is no penalty for first offenders. The staff realizes that not everyone who is caught is intentionally stealing books. However, students that are caught more than once are referred to the Dean of Students. Since stealing is also rampant in South's resource centers, an alternative now is to close those centers and put all the books in the library. This situation would cause students an inconvenience that is unnecessary if they take on adult attitudes.

The IMC Lab Assistant program boasts 47 students. The program is a three-mod class. Students are graded in four different areas: circulation, reference, filing, and periodicals. Assistants helped with the new freshmen orientation program to the IMC in cooperation with the History of World Civilization classes.

Joining the regular Health staff of Ms. Eileen Gamble, Mrs. Carolyn Jordan, and Mr. Ed Young, is Mr. Nick Harkovich, now the permanent substitute teacher.

The class discusses the dangers of drugs and alcohol. It helps give insight to consumer health. Food and nutrition are important aspects of health along with exercise and calorie counting.

The Paramedics came again to instruct the classes on the correct way to administer CPR. At one time, the Paramedic's victim, served her purpose.

# Special Ed starts work program

The Special Education Department added no new teachers to the staff this year. However, it has added two new programs. A corrective reading program helped students who have trouble reading. The program brought fantastic results with students who entered high school with very low reading levels. Also, Glenbrook Hospital, GBS's next-door neighbor, developed a co-operative arrangement with the Special Education Department to provide practical work experiences for some students as part of the secondary work experience program.

Mrs. Waddington and Mrs. Siegall collaborate on paraprofessional work needed for the Special Education Department.

Mr. Jim Bloch daydreams about future plans for the Special Education Department.

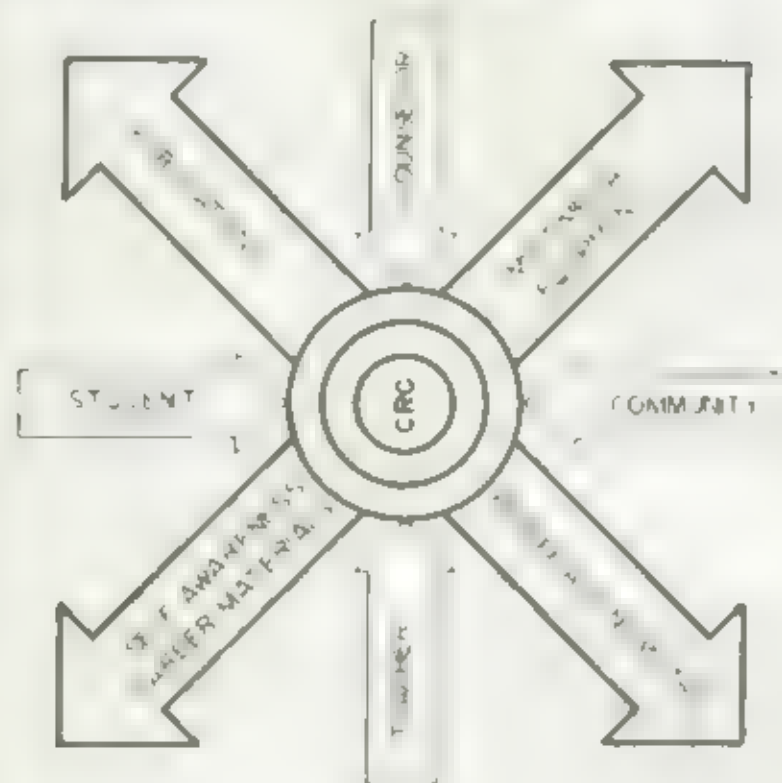

Mr. Tom Wiznerowicz and Ms. Gloria Charles make lesson plans.

# Career Center becomes reality

Ms. Susan Salas answers a student's questions between appointment.

The new comprehensive Career Resource Center promises increased benefits for students who are in the process of choosing a career.

Picking a profession and then breaking into it is going to be more difficult in the next decade than it has been since the Great Depression. Potential career-related resources are being systematically evaluated by the center's curator, Mr. Robert Simmons. Simmons' dream is only now coming into realization after seven years of planning.

"The ideal center" says Simmons "will utilize the new learning resources made available to us as problem solvers." These resources include career, opportunity, boxes, filmstrips, occupational awareness packets, and an outstanding four-year college and university microfiche file with a repertoire that includes several hundred college catalogs from all over the United States. For any student having trouble in choosing a life time profession, GBS's Career Resource Center is the place to go.

Senior Beth Hoshaw and a college representative discuss future career plans.

# School assistants give opinions

When the cafeteria workers, custodians and paraprofessionals were asked how they felt about working at GBS, most of them stated that they enjoyed working in a school atmosphere very much. Many expressed that they like working around young adults.

"I like it. It's fun working with students. It's better than working with business because I get to work with young people on a daily basis."

Pat Conrow

"I enjoy it because I enjoy working with young adults."

# 'Never a dull moment'

Mr. W. Hardy

"I enjoy it very much. I really do. It's true. Most kids are nice and the teachers and staff are great. Now do you want me to tell the truth"

Mrs. Gelman

"I taught at Evanston and I like working here better because the majority of students and staff are great people. I don't really want to be a parapro, but I want to stay in the teaching field. I don't mind doing it, but I'd rather be teaching in a classroom."

Mr. Dahmer

Guards help run, organize, and supervise all community swim programs in the pool. The Boy Scouts and other special groups that use the pool are included with this program.

The group supervises all family swims on Tuesday evenings. It also teaches children on Saturday mornings throughout the school year.

Timers is a club consisting of only girls. Their main task is to help officiate at the boys' and girls' swim meets. Timers are qualified to operate stop watches and the electronic kyroscope. They boosted the spirit of the swimmers by making signs and cheering them on during the meets. Although they do a lot of work, they always manage to have a good time.

# Pair wins state crowns

Glenbrook South debaters have had an extremely productive 1977-78 season. Under the guidance of Mr George Stege, the group has two state championships and numerous other awards to show for its efforts.

Seniors Marilou Wernecke and Dave Kawala captured first place in the National Forensics League District meet for schools in northern Illinois. This championship qualified the pair for the national debate tournament, hosted by Northwestern University in Evanston.

Wernecke and Kawala also won the ISTA State Championship at Illinois State University. These honors led to the naming of the pair to the All-Chicago Area Debate team. Steve Conger and Gary Peterson received honorable mention for that team.

Top junior varsity debaters for Glenbrook South this season were Carol Knauf, Mimi Yoon, Don Civgin, and Dave McMahon. Top novice speaker was Mark Koulegeorge.

GBS varsity debaters reached final round in tournaments at Glenbrook North, University of Illinois, Belleville East and New Trier West. Wernecke and Kawala were one of 28 teams invited to the Super Bowl of Debate held in Milwaukee, Wis. over Christmas vacation. Team members also competed at Emory University (Atlanta, Ga.), Harvard University (Cambridge, Mass.), University of Kentucky (Lexington, Ky.) and Marquette University in Milwaukee.

South's debate program is truly a classy operation. This will be the third time in the last six years that GBS will have a team at nationals, making Stege the only Illinois high school debate coach to accomplish this. The school has also had more representatives on the All-Area debate team than any other school.

State champion debaters Dave Kawala and Marilou Wernecke show Coach George Stege the trophies they won on their way to two state championships.

# Speakers host meet

About 20 students were involved in the Glenbrook South forensics program this year. Team members practiced every day after school and usually specialized in one or two of the following: prose reading, verse reading, original composition, oral interpretation or extemporaneous speaking.

Theatrical-type skills were also a part of the program. These included radio speaking, original oratory and current events.

For the first time ever, Glenbrook South hosted a forensics meet. The hosting was done in conjunction with Evanston Township High School. Originally scheduled for December 10, the meet was canceled because of a severe snowstorm that day. The meet was rescheduled and held after winter break. Junior Sue Maller was South's top winner with a second place award.

Mrs. Marilyn Yablong was assisted by Mr. Nick Dupont and Mr. Tom Valentin, new members of the English Department.

# Tutors go Onward

Tutors is a group of students who tutored children on Tuesday evenings at Onward House in Chicago. They taught elementary school age children and emphasize reading as their main subject. This group also gave the children a chance to talk to another individual on a one-to-one basis. Otherwise, many of these children didn't get individual attention.

The tutors also benefited from this program because they got an opportunity to experience a different part of the urban environment and learned a sense of responsibility. Approximately 30 students were involved. Finally, they occasionally had parties and field trips for the children at Onward House.

# Students go abroad

During the AFS assembly, Tim Golligan and Mary Lea Werneck talk with GBS's foreign exchange students, Angela Diaz (left) and "Tippy" Wipawin.

AFS, or the American Field Service, is an organization which raises money to send an American high school student abroad to live in a foreign country for one year or summer. It also provides homes for foreign students in the community.

AFS meets once a week and each year it sponsors a candy sale to raise money. This is done in order to send more students to other countries, and to bring more students to the United States. Its main purpose is to allow the students to broaden their knowledge about other countries' culture and their customs. This club is open to anyone who is interested.

South hosted two AFS students this past school year. Angela Diaz came from Colombia and "Tippy" Wipawin traveled to GBS from Thailand.

Senior Craig Goldblatt spent September to March in Thailand where he acquired the ability to speak Thai fluently.

AFS club members hosted exchange students from several North Shore high schools last weekend of February 24-25.

# Dance clubs highlight shows

GBS Dance Club was a new group this year under the direction of Mr. David Arthur. This dance group replaced Orchestis, which was an all girl modern dance club. The main purpose of this club was to prepare more talented dancers for the Variety Show and the North-South Musical, both choreographed by Mr. Arthur.

During the months of September and October the advanced group met two days a week and the beginners met once a week after school. At the end of October they presented a small show for their parents.

Sherie Shultz and Jim Karahalios perform "Uncle Sam Rag" in the Variety Show.

GBS DANCE CLUB First Row: K. Bieat, A. Barr, C. Sierocki, R. Lee, E. Gilliland, A. Mendel, M. DeGuziani, N. Wallace, S. Baranco. Second Row: J. Clonts, I. Stevens, E. Bluestone, D. Menegas, A. Titannaires Julie Weinberg, Lisa Arnold, Carol Bonovich, Carol Sente, Suzanne Kaiser, Kathy Gans, Kim Venetos, Sue Savio, Shari Feldman, Chris Sente and Kathy Miller pose in full hula costume.

# Boosters cheer Titans

Boosters is an all girls organization. These girls are considered the "cheer leaders of the stands" and support the boys football and basketball teams at both home and away games. They also helped by selling programs to the viewers of the home football games.

Under the direction of "Mama" Glass, they also sold donuts in the morning. Sue Goodman was the president.

Boosters: First row- S. Mottlowitz, J. Riedl, P. Forest, D. Strumel. Second row- S. Greene, T. March, L. Peterson, C. Anderson, S. Goodman, J. Stark, K. March.

The Boosters also show their spirit at basketball games. Here Titan Gregg Slutsky takes a shot.

The Boosters could be heard cheering in the stands during the North-South football game.

# Drama Club presents...

Drama club played a major role in theater productions at GBS. The fall play was "Stage Door," which portrayed the typical life of actresses in the big world.

Drama Club presented a children's play called "The Adventures of Peter Macaroon," which was directed by Ellen Greenburg.

The winter play was "The Wonderful Ice Cream Suit." "The Wonderful Ice Cream Suit" is a play about a group of Mexican-Americans with very little money. These people share the same white suit. Drama Club officers are Ellen Greenburg (president), Jeff Clounts (vice-president), Adviser Mr. Doug Kornelley named "The Matchmaker" the club's spring production.

**DRAMA CLUB** First Row: E. O'Connor, E. Hansen, S. Lexton, M. Shroeder, K. Kelly, B. Johnson, N. Hark, J. Nalimov, R. Hill. 2nd Row: M. Scott, L. Peterson, J. Schuppert, S. Schramm, L. Diener, A. "The Adventures of Peter Macaroon" was a children's play put on by GBS Drama Club. (L to R) Andre Mitchell as Peter Macaroon, Ron Harpo Galtnerow as Duke of Dordyn and Betsey Johnson as Princess Fair entertained the youngsters in attendance.

# Lorelei works toward show

The synchronized swim club, Lorelei, has one main goal: its spring show in May. The girls practice a couple of days a week in preparation. They choreographed their swim routines and created the costumes themselves. Tryouts were held in the beginning of the year for any interested girls.

Under the direction of Miss Laura LaCursia, the officers of this years Lorelei were Lori Manning (president), Maggie Compher (vice-president), Tracee Hoffmeyer (secretary), Wendie Gerschefske (treasurer), Sandy Dale (costumes) and Michelle Kosik (publicity).

Officers- Top- T. Hoffmeyer; Second row- W. Gerschefske, S. Dale; Third row- L. Manning; Front row- M. Kosik.

The Titannaire squad this year consisted of sixteen girls. They practiced four days a week after school. They danced at various pep assemblies, the Homecoming Parade, and at halftime of both the football and basketball games. One of their outside activities included performing the Hula for the halftime show at Lake Forest College basketball game. Also, they were invited to perform for the Chicago Bulls, but declined the invitation.

Their dances brightened many a halftime show with their style and costumes which the girls constructed and designed themselves. Some of their special dances were the Hula, the Charleston, and their Christmas Dance.

The Titannaires also helped Girls Letter Club with the preparation of Turnabout. These two clubs meet on Fridays to discuss the band, theme, bids, decorations, and refreshments in order to make Turnabout a success. Turnabout was held on March 1, 1978 at 8:00 p.m. in the Half-Moon.

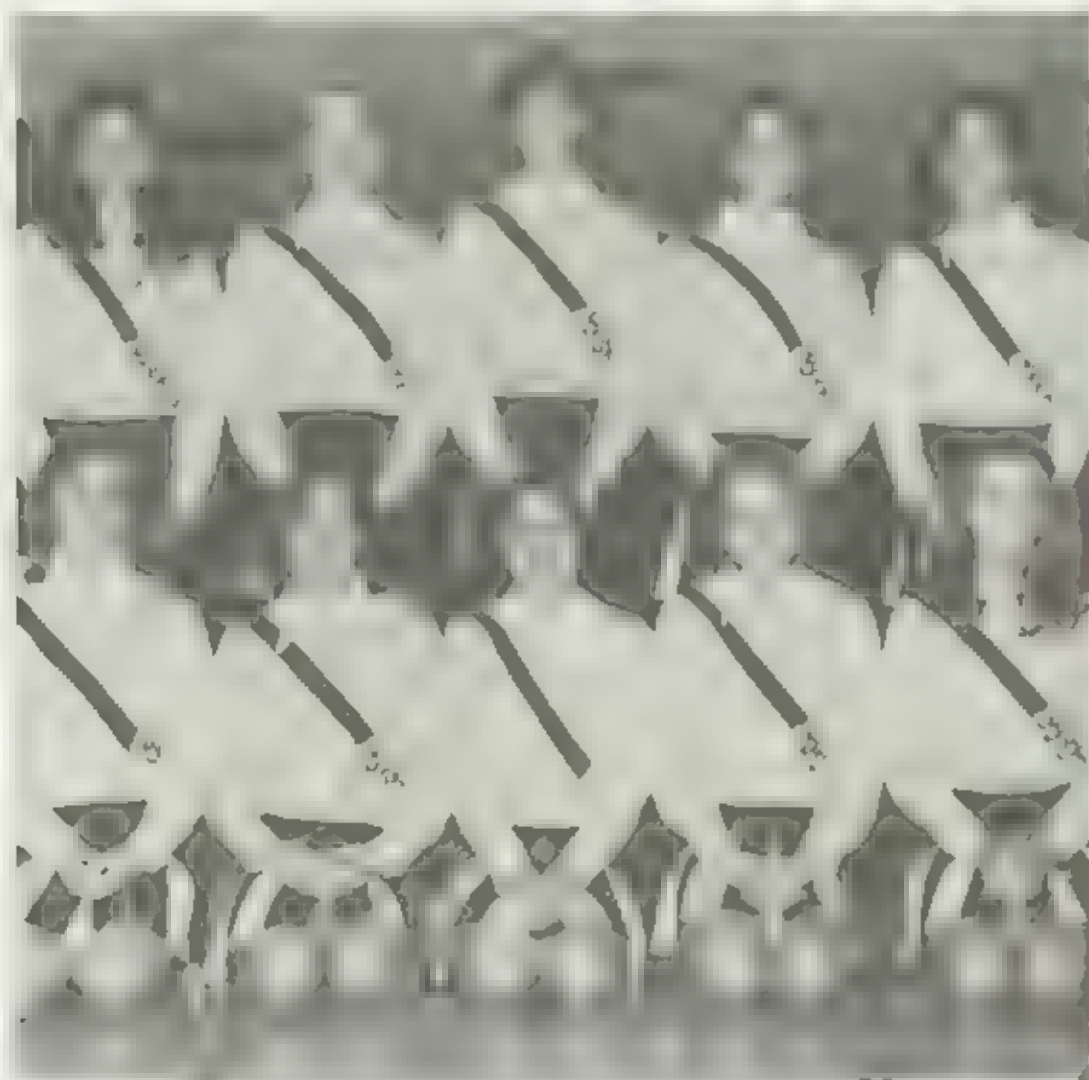

Titannaires Sue Savio, Shari Feldman and Kathy Miller brighten the Homecoming game with their performance at halftime.

Kathy Gans' smile was one of the highlights of the GHS-GBN halftime show.

# Squads inspire athletes

The cheerleaders boost the "Blue and Gold" with their never-ending spirit. They support the football and basketball teams by cheering at all the games, both home and away, come rain or shine. They put on numerous skits for the pep assemblies and they sold spirit raising items such as lollipops and randybars. They also provide cheerleading clinics for the elementary schools but are most remembered for their talent and their support.

# Group serves community

Key Club is a service organization which, throughout the year, does many projects to aid the community. To begin, Key Clubbers raised money by selling peanuts for Kiwanis that went toward needy children. Secondly, students went to Maryhaven each week to play games such as bingo with the elderly. When Thanksgiving came, the group had a dinner with the people from Maryhaven at GBS and Drama Club entertained. For Christmas, Key Club went to the Kirk Center Center.

In March, Key Club sold Shamrocks for Muscular Dystrophy and went to the Shrine Circus with retarded children. Finally, the clubbers helped direct parents on Parent Conference Night and put out the student directory and the calendar

# Scientists explore fields

The greenhouse helps students learn about plant life.

The Science Club's activities were selected by the group's officers based on what they feel would be of some interest to the members. Programs usually included demonstrations, experiments, outside speakers, and field trips. Some of this year's plans consisted of a speaker on physics and computers, a trip to the Northwestern Observatory and some laboratory exercises.

The September meeting featured a couple of immense snakes and October's meeting presented some logic puzzles for group solutions.

# South honors students

National Honor Society is a group composed of selected scholars. These students were chosen because of their high class rank and their participation in GBS activities. Half of the group was chosen in spring of junior and the other half was chosen in the autumn of senior year.

The group meets about once a month to discuss various activities such as a Thanksgiving dinner at a nursing home, an initiation party for the new members and tutoring projects. The chief reason the group was started was to recognize those who have worked hard and been involved throughout their years at GBS. The other reason is to provide tutors for the freshmen and sophomores who need extra help in their schoolwork. The officers of this year's group were Barb Berdick (president), Mary Lou Wernecke (vice-president), Chris Sente (secretary), Irwin Haas (treasurer) and Lisa Thulstrup (tutoring president).

Both the letter clubs have a new qualification: it is no longer necessary to have earned a varsity letter to join. "The reason for this is to enlarge the groups so more people can join," according to Debbie Revolita, girls letter club president.

The Boys Letter Club was changed to Varsity Letter Club this year. To raise funds the group held a Halloween sock hop, sold programs at basketball games and sponsored bake sales. the president of this year's club was Scott Richmond

Working hard to finish one of her layouts for the yearbook is Bella Nicolas.

The three Publication staffs, *Calliope*, *Oracle*, *Etruscan*, and *Quill and Scroll* were busy again this year.

*Calliope* published its literary magazine containing artwork, photographs, and various types of written material.

The *Oracle* had its first 16-page newspaper on December 22, 1977; it was the largest paper in the history of GBS. The editors, Dave Nadig, Marilou Wernecke, Wayne Friedman, Janel Huston, worked very hard to achieve this. The students expanded their knowledge by participating in Journalism Day at Northern Illinois University in April and the Illinois High School Press Association Conference.

The *Etruscan* staff also worked hard this year by putting out the largest yearbook ever in the history of Glenbrook South. It contains 260 pages with an opening section which included 16 full color pages. Thirteen students participated on the staff, including the two editors Debbie Marsh and Jenny Wojak.

*Quill and Scroll* is a society which honors students for their outstanding work on Glenbrook South's publications. The club also sponsored its annual publication banquet in May.

Guess who's going to the Rose Bowl next year? Why, none other than the GBS Marching Band. It is one out of 500 bands that will be out in that California sunshine next Christmas vacation. The band was invited due to the fact that "They are the best band we've ever had" said Mr. Peter Pappas, the band's director.

This year the band traveled to the Pontiac (Mich.) Silverdome to play at the halftime show for the Detroit Lions-Tampa Bay Buccaneers football game. The musicians also ventured to Windsor, Canada to play at a high school. This makes them the first GBS band to leave the country.

The Jazz Band Hosted the North Shore Jazz Festival on Feb. 5, 1978. There were high school and college jazz bands performing here. The Jazz Band also played for the AFS school assembly.

The Orchestra, directed by Mr. Dan Burgess, planned a short trip to Bloomington to play for several high schools and colleges. Several members of the Orchestra played in the Variety Show.

# Master Singers break tradition

The Elizabethan Banquet, a show and dinner put on annually by the Master Singers for seven consecutive years, was cancelled this year. The reason for this was the lack of student involvement, according to a year end student activity survey. Of the change, Beth Herrmann said, "All of us were really disappointed when we found out the Elizabethan Banquet was cancelled; it was fun to watch it and even more special to be a part of it."

This year the Master Singers sang at the mid-term graduation ceremony, the Christmas show "Let It Snow," and old peoples home, and many of the grade schools including

Springman, Glen Grove, Henking, Lyons and Rugen.

Concert Choir and Bel Canto Chorale are under the direction of Dr. William Schnell and appeared along with the other choral groups in the Christmas show "Let It Snow".

Daybreak is a new group created this year by Mr. Walter Lamble. It consists of about 20 members from all the choral groups. This group performed at several assemblies, "Let It Snow", and at the Kirk Center along with the Key Club. They do not wear the usual long robe when they are in concert. They wear pants, skirts, vests, and shirts with coordinating colors.

This year Student Council was involved in many activities. Homecoming was one of its biggest projects of the year. Members chose as themes for homecoming week "Cheer for the Blue and Gold" and for the dance "You Light Up My Life". Council held a contest for the class floats and window painting in downtown Glenview. Student Council also arranged for buses to take spectators to away football and basketball games during the year. In the spirit of Christmas, the group held an informal dance, "The Holiday Hop", in the Old Pit, featuring the band Flight Along with the decorations of tinsel and colored lights there were refreshments for all.

This year's officers were Carol Foote (president), Chris Chigas (vice-president), Avis Truska (secretary) and Santhy Stellas (treasurer).

Presidents Council is composed of the presidents or captains of each club in the school. They met once a month to discuss the present activities of their clubs and club projects to raise money. Chris Chigas was president of the council this year.

Except for portraits, some group pictures and an assortment of other pictures, these publications photographers took all of the pictures seen in the *Oracle* newspaper and the *Struscan* yearbook.

Often asked to do the seemingly impossible photographically, these students consistently came through with the requested pictures. This was accomplished despite the fact that they had to do all their pictorial work in their own darkrooms at home.

# 'You Light Up My Life'

"It was the best organized Homecoming I have been involved with in my four years with student activity," was Mr. David Smith's opinion on this year's Homecoming festivities. Planning for Homecoming got underway last August. A theme was needed, a band had to be found and committees had to be organized.

The week before Homecoming was a busy one. Float construction began, elections for the queen and her court were held, the pep assembly and street dance, and much more, were organized. Friday night all four classes worked diligently to finish their floats. Fifteen senior "beauty queens" entertained at the pep assembly Friday night. Chris Chagas, Homecoming chairman said, "The pep assembly was received well, and I was really impressed with the spirit of everyone." That night the juniors were first in the spirit contest and the seniors came in second.

## Dance caps festivities

Saturday morning showed all the finished floats, the band, the Titanaires and a GBS record of 130 clowns. After the parade, many students went to the Pancake Breakfast sponsored by the Dad's club. But the festivities did not stop there, people of all ages cheered on the football team as it beat Waukegan East 47-6.

The Homecoming festivities climaxed Saturday night at the Homecoming dance. A near record number of couples were present at the dance to see senior Lynn Wilson crowned as the 1977 Homecoming Queen. Lynn said, "Homecoming was very exciting and a lot of fun. And being queen was a great honor I'll never forget." To honor the theme of the dance junior Charlotte Laystrom sang "You Light Up My Life." Chigas said, "The dance had a good atmosphere and everything went well."

# Actors perform 'Stage Door'

"Stage Door" was this year's fall play. Under the direction of Mr. Douglas Kornelly, the exceptionally large cast gave inspired performances. The play was a comedy about 20 aspiring actresses trying to strike it big in New York City. The 1937 setting added antiquity and nostalgia to the play.

Roles of the play were taken by Lisa Diener (Terry), Kim Evans (Jean), Tamu Gutner (Olga), Sharon Hockberg (Mattie), Vijaya Vasista (Big Mary), Lisa Shineflug (Little Mary), Martha Scott and Cara Luken (Bernice), Ellen Greenberg (Judith), Gail Shapiro (Anne), Vicki Lehman and Elli Vlahakis (Kaye), Kathy Ericsson and Linda Baumgartener (Linda), Sue Bianchi and Robin Lee (Bobby), Laura Nesbitt (Louise), Nanette Bianchi (Susan), Ellen O'Connell (Kendall), Charlette Lavstrom (Tony), Chris Pappas (Ellen), Sue Schreiner (Mrs. Orcutt), Jake Daab (Frank), Marty Sanders (Sam), Steve Levitan (Jimmy), Ron Gathercoal (Lou), John Schiabbacasse and Jedd Nabonsal (Kingsley), Scott Horton (Keith), Missy Stein (Mrs. Shaw), Jeff Clonts (Dr. Randall), Eric Gilliland (Larry), Kevin Horton (Billy), and Irwin Haas (Adolph Gretzel).

# A new school year begins

The 1977-1978 school year has begun. Registration gives students a chance to see friends they have not seen during the summer. Many students volunteer to help with registration. Registration is the first organized activity of the school year.

The main purpose of registration is to receive schedules and buy books for the upcoming school year. Students receive their student ID's, choose lockers, buy the student activity card and the Key Club calendar. They also buy gym clothes and locks. Registration gives students a chance to put their name in the student directory and order year books.

Getting registered for school is very exciting. Registration is a good way to start the beginning of the new school year.

# Challenge—'Etruscan' style

One of the many jobs of a yearbook staff member is to write captions for all incoming photographs. Although this job might appear easy, sometimes photographs are indescribable. This year, *Etruscan* has decided to give our patrons a chance to caption some of our more elegant shots. Please remember—the names are the same, but the faces have been distorted to protect the innocent.

# Snowfall sets record

SNOW became the most used four letter word in Glenview *and* GBS this winter. We accumulated a new record of 80+ inches as of March. If you were a penguin or if you skied or snowmobiled the weather was great. But, if you were among the rest of us, you probably had a rough time staying warm in the sub-zero temperatures. Stalled cars, jackknifed semi trucks, and St. Bernards with kegs became common sights. While visions of Hawaii and Bermuda danced through our heads, our bodies were busy shoveling through the many feet of snow

# 'Close Encounters': Movie of the best kind

"Close Encounters of the Third Kind" was one of the great special effects movies of the year. The special effects consisted mainly of flying objects, flashing lights and brilliant colors. The film was concerned with alien spacecraft confronting earth and the reaction of the people observing them.

The stars of the film were Richard Dreyfuss as Roy Neary, Melinda Dillon as Jillian Guiler and Cary Guffey making his debut as Barry Guiler.

The main theme from the film rose quickly to the top of pop music charts and the soundtrack is selling at a miraculous pace. (Photos courtesy of Columbia Pictures and John Illis Associates)

# Students graduate early

The mid-year graduating class of 1978 consisted of 31 seniors. These students were Sam Andreou, Lisa Berge, Kathy Berggren, Chris Brame, Bruce Calvetti, Pam Cawley, Kathleen Collins, Dave Corbus, Geena Cordell, Melanie Darro, Kevin DiGanci, Richard Ellsworth, Lisa Gaessler, Lihan Goryoka, Reid Halstenrud, Tom Hyman, Lynn Iwan, Kevin Kallick, Tom Loew, Richard Maloney, Paula McCauley, Robin Michaels, Jeff Minogue, Sharon Monahan, Ann O'Grady, Margie Shine, Keith Sietmann, Paul Swanson, Marian Udelhofen, Don Ventura, Jay Wolf!

Requirements for early graduation are the acquiring of 21 credits and definite plans for the future. Few students get the opportunity to graduate early, but, when given the chance, many take advantage of the mid-year graduation.

# Titans have spirit

"The pep assemblies this year had as much spirit, as in past years," said Mr. David Smith. Pep assemblies took place on Fridays before the football and basketball games. Everyone participated in the assemblies: cheerleaders, Titannaires, the band and the student body. Senior cheerleader Linda Melle said, "Over all, I think school spirit this year was very good. How could it not be with the fantastic football team we had! Their hard work and determination alone was enough to make the spirit flow."

At the beginning of the football season the seniors gave their famous, "silent" cheer when they participated in the assemblies. Then they caught on and started really participating in the spirit contest.

The Homecoming pep assembly was a special one. At this assembly the senior boys put on their own "beauty contest." Tom Donovan, one of the contestants, said, "It was worth the time and effort but I wouldn't be caught dead doing it again."

# 'Tis the season...

The week of December 16-22 was designated Holiday Week. During the week, various activities were planned in accordance with the theme, 'Tis the Season'. Happenings during the week included the Holiday Assembly, a Holiday Concert featuring the Master Singers, Daybreak, and Bel Canto. Concluding the week of activities was the Holiday Hop in which the group 'Flight' entertained.

Fleetwood Mac, Barry Manilow, Foreigner and many other groups became household words this year. The varied musical tastes of students range from Rush to John Denver, rock to country, disco to fox trot. The music world is bursting with groups that can please the musical tastes of any individual.

# Musicians perform at South

Dave Major and the Minors came to GHS last October for their fifth appearance. The group consists of five people and they play a total of 20 instruments. The group is very versatile; they play rock, contemporary and jazz. It is easy listening music. Dave Major and the Minors reach people of all ages because they are an enjoyable group.

The group got its name while in college. Dave Perry, the group leader, was a music major and the four group members were music minors. The group travels all over the country. Florida is its biggest spot. In March, the group is part of a cruise on the Caribbean.

Mr. Peter Pappas, band director said, "This year was the best show of the five years and the band has voted them back for a sixth year."

# New looks for 1978

This year's fashions took on a new, exciting look.

Such stores as the Limited, Paul Harris, Cover Story, and Saks offered all the new styles. Already at the end of August the stores were ready to introduce the fall/winter line.

Some of the styles that were very big were angora sweaters, hacking jackets (blazers), straight leg pants, pleated pants, and pastel colors, shawl and full skirts, and the blousant look. It was an over-all layered look.

Accessories that accented the apparel were stick pins, "S" chains, combs and flowers. Hair styles were free and curly. Of course the blue jeans were still in style.

Some styles will carry over to next year, but there will always be room for new ones.

Clogs and straight leg jeans were a favorite this year.

Stick pins accented many collars on different outfits.

Sweaters held together by stick pins were popular

Different styles of boots went under jeans and skirts

Chains, especially 'S' chains were seen as rings, bracelets and necklaces.

# Pull up a bench...

During a student's free time there are designated spots in the school where he can go. Among them are the library, courtyard and the cafeteria. Also, there are the various benches around the school. The benches range from the noise of the cafeteria and the quiet of the library. Each bench represents a different group of students. The bench outside Cafeteria 126 is known as the "senior bench." During school the bench near the gym is empty, but after school it becomes the "athletic girl—watching bench" or vice-versa. Then there is the so called "burn-out" bench across from Cafeteria 125. The benches are a good place to get together with friends.

# Outward Bound 'swings'

Outward Bound is an out of school activity in which students learn how to survive in the wilderness. Before participating in Outward Bound, students must undergo rigorous training. Among the things they must learn are repelling down mountainsides, the basics of geology, and how to trust their fellow students.

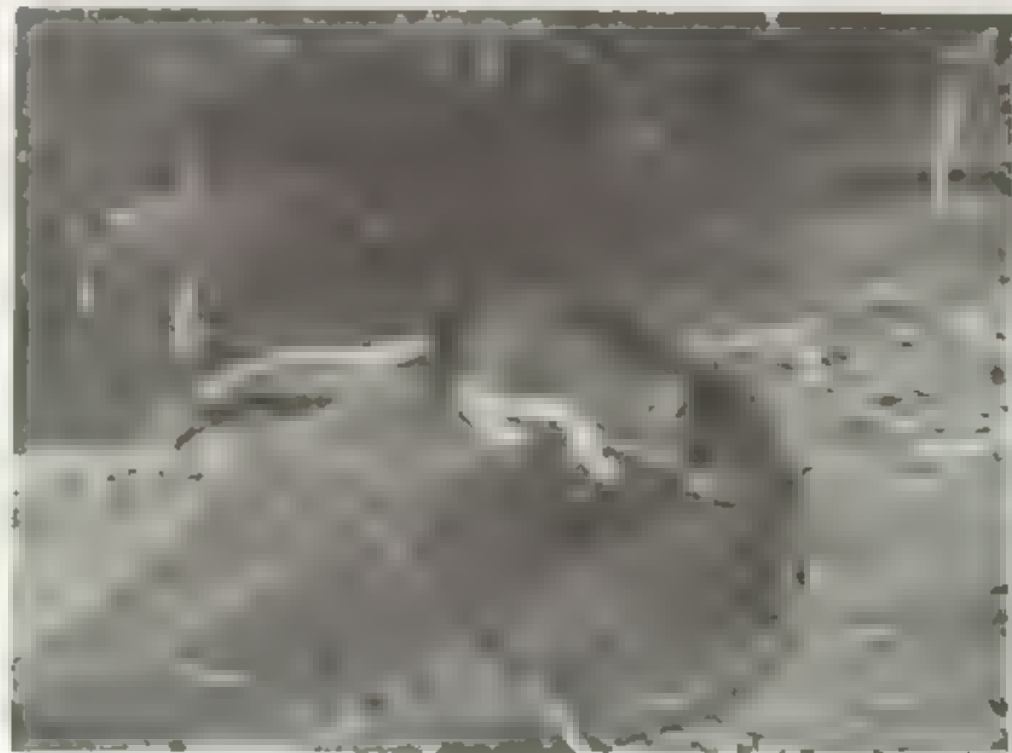

The program is sponsored by Mr. Tony Calabrese and Mr. William Bishoff.

# Students drive to school

When a student finally gets his license there is a feeling of superiority. Students with their licenses don't want to ride the bus anymore; they want to drive to school everyday. Only juniors and seniors have the privilege of driving their cars to school. Everyone wants a new car. Many students buy new or used cars when they are able to drive. They work at part-time jobs to earn the money for their cars. Some students are lucky and their parents buy them the new car. A car is nice to have when a student has an open lunch pass because he can come and go as he pleases.

One means of transportation to school, is a motorcycle.

# Come on and dance....'

Besides acting as chaperone, "Mama" Glass enjoys showing off her fancy footwork.

To provide entertainment for GBS students during the school year, various clubs and organizations sponsored sock hops and dances. Among the highlights were the disco dance and the Fifties Day dance. Attending the disco dance was the "Windy City Disco Movement", a dance company who taught students new dances and steps. This was the first disco dance in South's history. A disco dance company that performed at the dance was the "Windy City Disco Movement".

# Decor raises holiday cheer

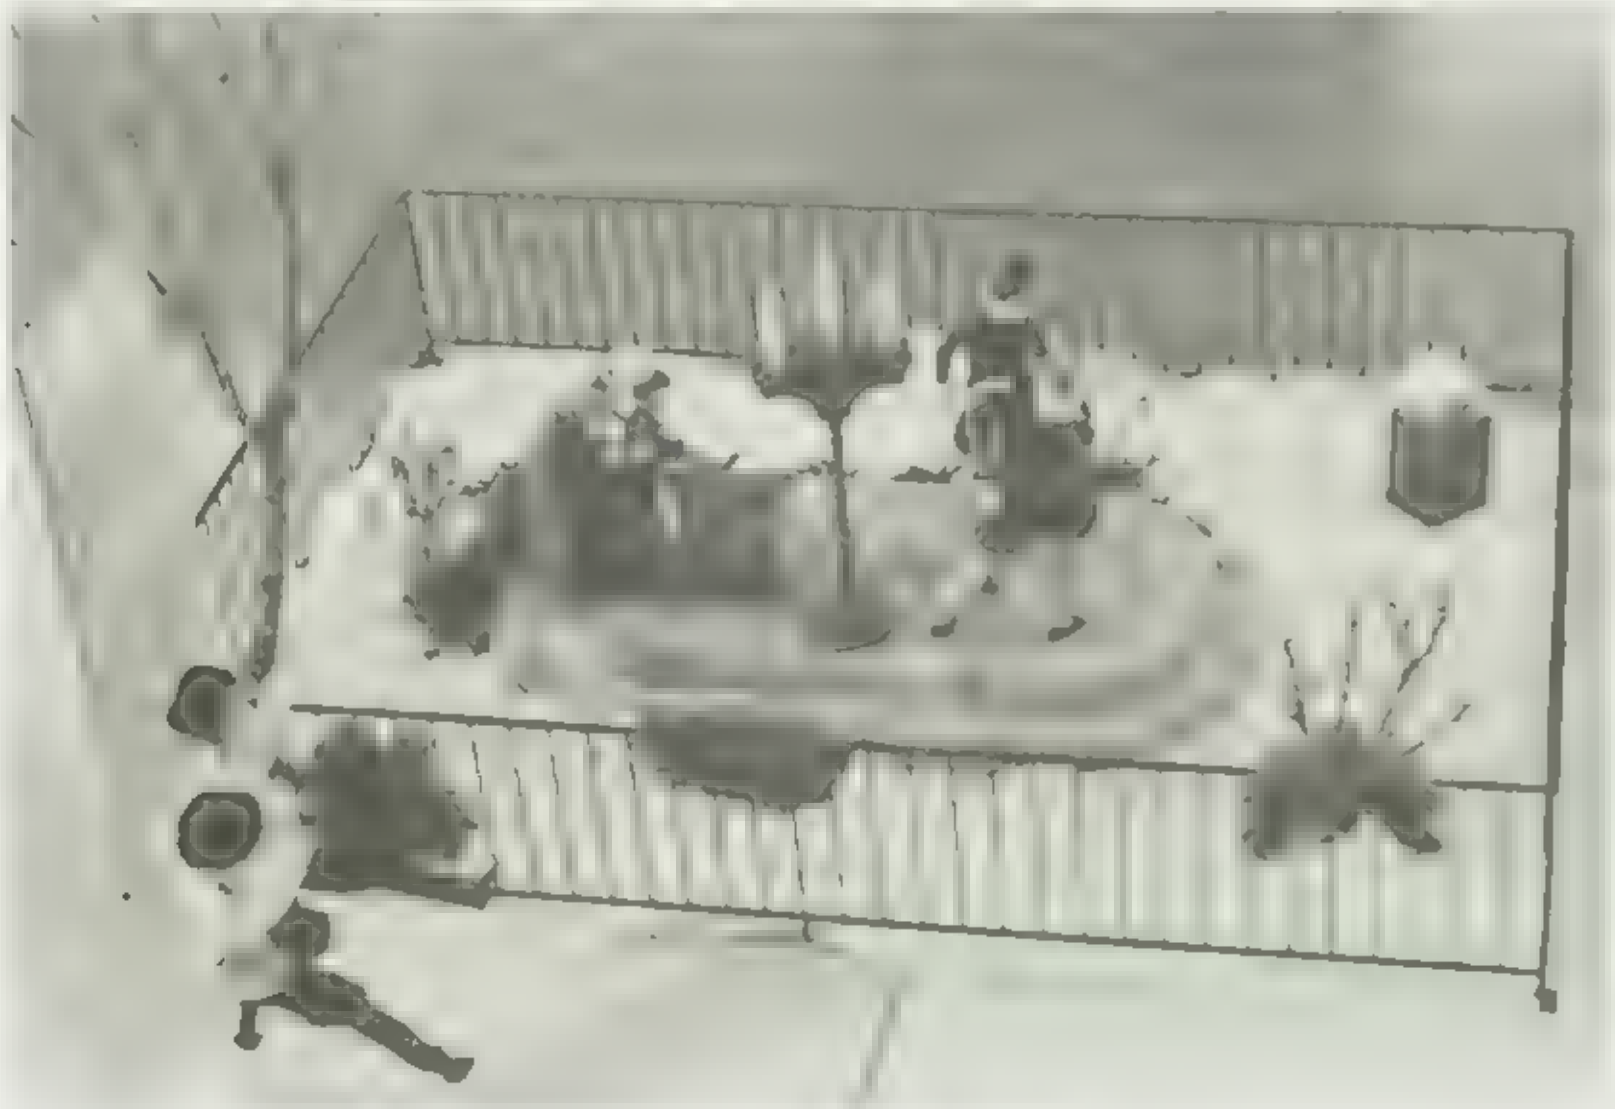

Once again it is Christmas time. You can feel it in the air. A fresh blanket of snow has fallen to cover the bare ground. Everyone is getting their houses decorated for the joyous holiday season.

Each shopping center has spent much time decorating for Christmas. Shopping centers are getting more crowded each day. People are doing last minute shopping and coming to look at the decorations. Northbrook Court displayed many Christmas moods this year. The shopping center has carolers and choirs each night until Christmas Eve. Any where one may be in Northbrook Court one can hear the faint, beautiful voices of the choir members.

Christmas decorations help to make the season merrier. They add to the joyous atmosphere and make everyone happy. They brighten up any house or shopping center. After New Year's it is hard to take the decorations down because they are so pretty.

One of the many Christmas decorations was a "Nutcracker Suite" scene at Northbrook Court.

Another "Nutcracker Suite" scene was set up to enhance the Christmas spirit.

# Performers give 'Comedy Tonight'

Charlotte Laystrom performs "Mr. Rockefeller" in the 1978 Variety Show

"Comedy Tonight" was the theme of Glenbrook South's third annual variety show given February 23-25 in the Auditorium

Sponsored by Student Council and directed and choreographed by Mr. David Arthur, the show featured numbers from hit Broadway musicals. The title song for the show was taken from the show "A Funny Thing Happened on the Way to the Forum."

Eighteen students were chosen through auditions to be singer-dancers. These performers participated in many of the numbers in the show. In addition, members of the Glenbrook South football team performed a number called "The Game." Flight, a popular rock music group made up of South students, played two numbers and backed singer Jim Houck on two other numbers.

Two faculty members also performed in the production. Mr. Walter Lamble and Mr. Dan Sonnenberg joined Eric Gilliland and Jeff Clonts for "Everybody Ought to have a Maid."

# The Sullivan Show comes to GBS

The 50's day assembly revolved around a unique theme this year. It was a reproduction of the old Ed Sullivan Show. Ed Sullivan was portrayed by Jedd Nabonsal. The acts were mainly musical but a few skits were included. Songs like "Chapel of Love", "Hound Dog", and other golden oldies were performed by the GBS singer dancers.

In addition to the assembly, many students dressed in 50's fashions and took on many 50's characteristics.

# GBS gridders finish 8-1 for season

The varsity gridders, led by a strong defensive team, had a spectacular season. The Titans, under head coach Bob Schoenwetter, compiled an 8-1 overall record for the season.

South opened its season with a win over Niles North. The team went on to beat Marist, Highland Park, and Maine South. The following week the gridders narrowly lost to Maine East, 6-0. On Homecoming, the Titans crushed Waukegan East, 48-7. The gridiron Titans notched a win over Maine West and then went on to beat the Glenbrook North Spartans 14-13. They ended the season, whipping Niles West 35-6.

South had 10 all conference selections including Joe Deegan, Ken Helberg, Jim Weyhrich, Bob Rustman, Steve Vogg, Mike Allen, Bob Pacholski, Tom Bujnowski, Jim Whitechurch, and Ed Cramer.

# Underclass gridders gain experience

The Sophomore football team gained valuable experience this year and will aid next year's varsity team. The gridders ended their season with a 4-5 overall record. Their first win was over Maine South by a 12-0 score. They also triumphed in the rain with a 6-0 win over Maine East. The Titans gained another victory over Waukegan East in their Homecoming game. The team had different team captains each week.

The freshman A unit showed a fine performance, posting a 7-1 mark. The Titans lone loss was to Maine West by a 22-8 margin. The team went on to clinch second place in its division. The gridders tallied a total of 148 points, to 64 for opponents, and had five shut outs. The most valuable player and best defensive player for the "A" squad was tackle Mark Vogg. Halfback-cornerback Bob Ploen earned the title of best offensive player, and the most improved players were defensive tackle Vince Luna, halfback-safety Tom Rauch and linebacker Jim Wilson. Captains this season were Brian Skeith and Jim Hehson.

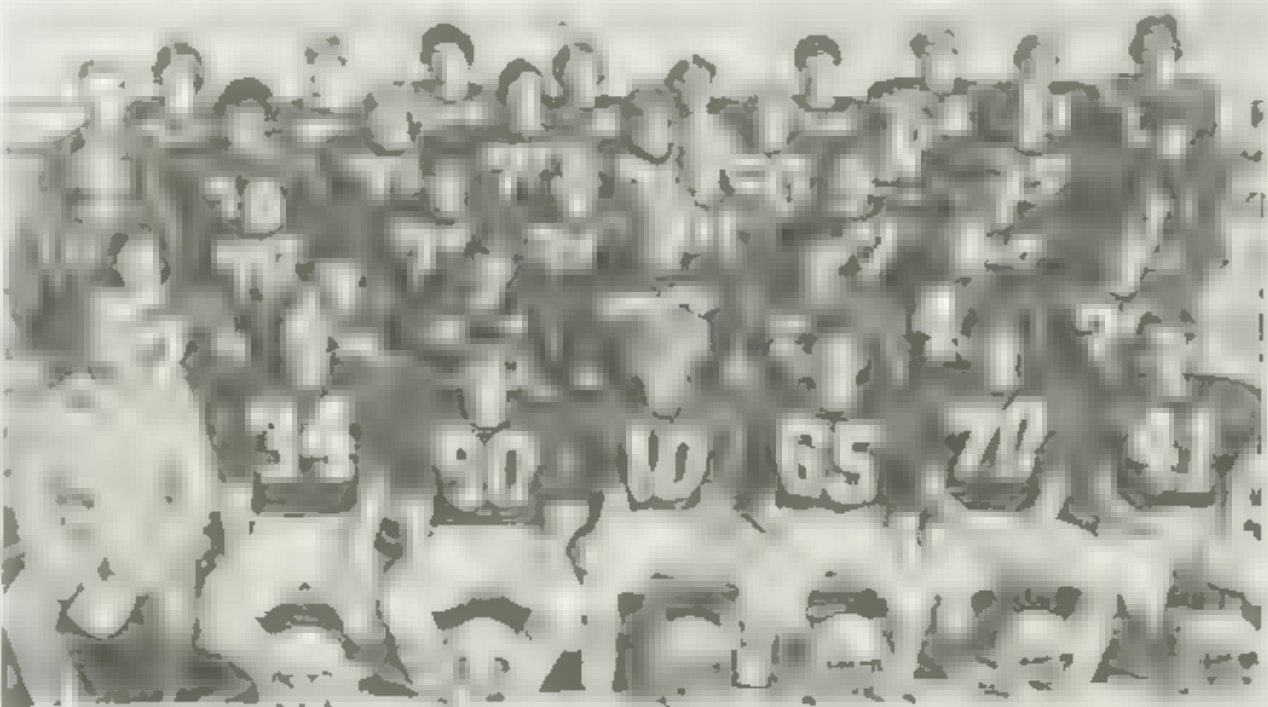

The Frosh B squad had more of a struggle, ending its season with a 1-4 overall record. The team's sole victory came by an 8-6 score over Marist. The Titans tied with Niles West 20-20 after trailing at the half 20-6. The tie game put the squad at the bottom of its division along with Niles West. The outstanding "B" players were quarterback Jeff Santo, running backs Ashley Collymore and Bill Hinchsliff, fullback John Sandels, end Phil Kantor, and guard-linebacker Peter Nestos.

# Girl runner wins honor

In his first season of coaching boys cross country at GBS, E. J. Doyle had a very trying time with his crew. Despite going winless throughout the season, the Titans had some outstanding runners. "This year's team had its good points and its bad ones too," stated Doyle. "You could label this year as a rebuilding one, since many of our top runners will be returning next year. Doyle gives much praise to Brian Gilligan and Brian Bartsch, both of whom are freshman. Doyle gives special praise to sophomore runner Dennis O'Brien who was the most consistent runner this year.

On the other side of the coin, the girls cross country team had a much more impressive record. "Debbie Revolta is the best girl runner in Glenbrook South history, according to coach Tom Neville! Revolta, a senior, is currently the conference champ and was a winner of the Trib Award as "Athlete of the week."

Chris Ravencroft added depth to the cross country team.

Senior Mike Huston was one of the cross country's top runners.

# Golfers win conference

This was another successful year for the Titan golf team. The 1977 season saw the linksman win their third consecutive Central Suburban League title. After the conference tournament, the Titans concluded their season by placing second in IHSA District tournament, and ninth in the IHSA sectionals. South had no entries in the final state competition, which was held at Champaign.

Overall, Coach Ralph Ganzer's crew posted 7-4 dual meet record, with six of those wins coming against conference rivals, thus giving the Titans an unblemished CSL dual meet record.

Top performers for South this year were Junior Dave Strey (40.6) and senior Bob Penkava (40.7). Senior Tyler O'Donnell led the squad in the conference meet, finishing second out of 49 golfers.

Sophomore Tom Nelson sinks a short putt on the fourth green at Glenview Park District.

# Golfers set records

"We had an excellent year; the best ever in terms of record accomplishments," said girls' golf coach Jan Fuller. The home course record was broken twice in a team effort and five times by individuals. Placing second in districts, the team tallied 17 fewer strokes than last year, when it won first place. In district competition, Nancy Stuart captured first place with a score of 86, which qualified her for state competition along with teammate Marilou Wernecke. The team compiled an 8-1 conference record and a 9-2 overall standing. Junior varsity golfers had a 2-0 record, unable to find anymore matches. The JV team is the largest in this area. At the Waukegan Invitational Stuart grabbed a third place with K. K. Pillman finishing behind her in seventh place.

The honor of most valuable varsity golfer went to Stuart, who holds the record for 18 holes on the home course. Julie Gricus earned the most valuable junior varsity player award. The most improved golfers were Wernecke for the varsity squad and Patsy Birk for the JV team. Both Gricus and Birk are freshmen and will be returning with several other underclass linksters to support the growing team. The depth from both teams makes up for the loss of the graduating seniors.

"The nicest thing for me as a coach to see is the interest the girls show by playing on their own," remarks coach Fuller.

# Booters narrowly miss playoffs

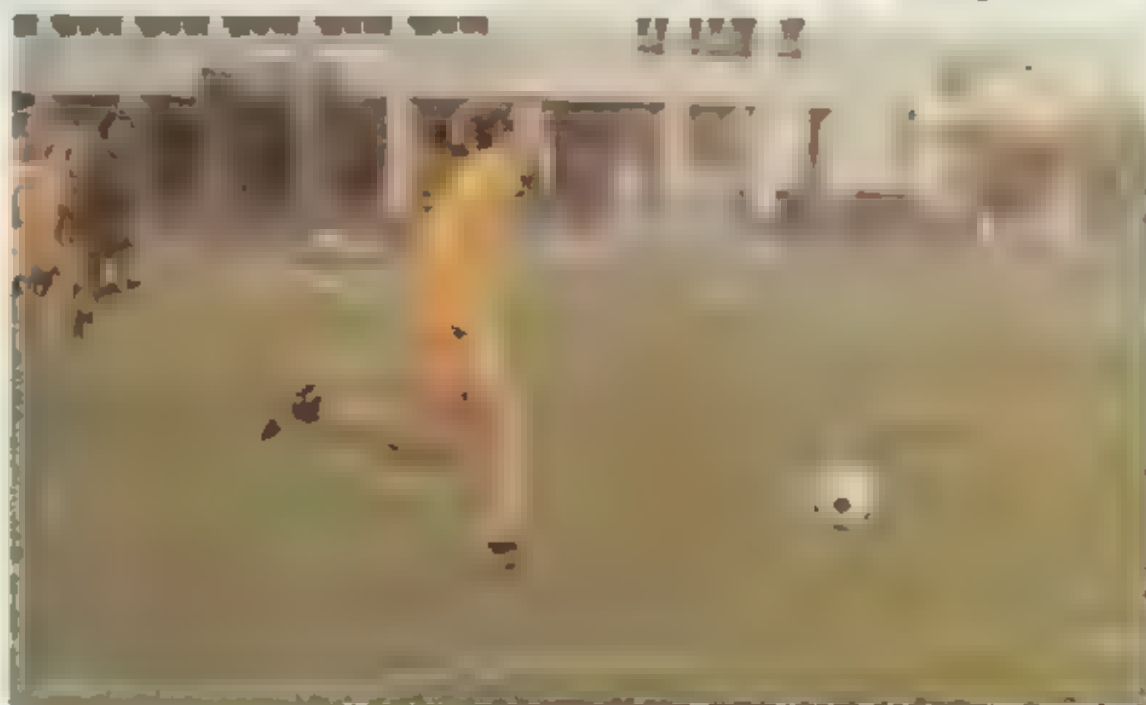

This year, the Glenbrook South soccer team was supposed to have been a nothing, an easy pushover. However, this was not the case as South posted a 5-3-4 record in games counting toward the playoffs. "We just missed the playoffs", stated head coach Don Rabeor. "It was this new point system. If we had won just one of our four ties, then we would have been in the quarter-finals." What the varsity squad needed was 149 points to qualify; they had 139, so just one more win would have done it. (A win equals 10 points.) "These boys really tried for it and we thought we had it, (playoff birth), but teams that we beat and ones with records worse than ours, got in, all because of the points," said Rabeor.

The team had many standouts this year. Rich Tector, Ric Marti, and Jose Cortina were voted to the all-conference team. Rabeor praises the play of Gary Soultanian, a fullback who had two key goals for the Titans, and also has one of the strongest kicks in the league. Other goal scorers were Zaven Sinanian with (5), Ric Marti (5), Jose Cortina (3), and Harmon Deal (1).

In the kickers last five games they allowed only one goal while scoring six. Probably the surprise of the year was the goal keeper, Andy Black. He did an excellent job for the Titans with three shutouts, all coming in the booters' drive for a playoff birth. "The whole team played well in those last contests," stated Rabeor, "we just started winning too late. Our halfback line was strong but was made to work to much by the lack of offensive punch."

Rabeor also praises the play of Mark Kutch, Rich Tector, Zaven Sinanian, George Furla, Ric Marti, Chris Rimer, Stuart Dye, Harmon Deal, Scott Fisher, and John Sullivan, a sophomore who was brought up and did a "super job." The team was made up of mostly seniors this year, with only a few juniors seeing some action. This will hurt the squad for next season, but that is a year away and things can happen by then. Look at this year.

# Booters look to future

This year's sophomore soccer team ended its season with an overall record of 2-11-4. Although the record is discouraging several players said that they would go all the way next year. Many deterrents were present in the sophomore season, one of the biggest being the loss of star player John Sullivan to the varsity team. The sophomores will definitely be a great addition to the varsity team next year.

The freshman soccer team started its season perfect, winning its first three games. But, they finally tapered off to a record of 3-6-1. Coach Emmerich Koller cited Lee Thompson and Robbie Suhr for their outstanding play. Koller said that this was his last year as a coach.

# Pair qualifies for State playoffs

The girls interscholastic tennis team ended its season with a 3-5 overall record. The team placed fifth in both conference and districts. Junior doubles partners Maren Walker and Kim Gabrovich reached the quarter-finals in state tournament play.

The team will be losing first doubles team of Erin Lisk and Beth Herrmann and second and third singles Sharon Ivins and Agnes Groh. Returning netters will be Gabrovich, Walker, Sue Leverenz, Laura Dold, and Molly Walsh.

The junior varsity team ended its season with a 4-4 record. The number one doubles team of Laurie Clark and Jackie Frenzel, both freshmen, had a 6-1 record, and should be competing on the varsity level next year.

The MVP was sophomore Wendy Wagner, and Marlene Fenster, also a sophomore, was named most improved player.

# Tankers rewrite record books

The varsity tankers posted a 8-3 overall record placing third in their division. There was much improvement over last year with every team record broken except the medley relay. The highlights of the season was the first victory ever over Maine South.

In state competition Pam Albanese placed eleventh in the 200-individual medley and third in the 100 butterfly. Sophomore Jody Stetson, whose district time would have placed her first in state, finished twelfth after a bout with the flu. Maggie Compher and Bev Koenig qualified for state but were eliminated in prelims. The relay team of Albanese, Stetson, Compher, and Koenig finished fifth in state competition. Divers Brooke Bauer and "Pete" Fuller were also eliminated from diving competition after the second round.

The JV swimmers finished third in conference with an overall record of 4-2. The team was well supported and also showed improvement.

The All-State Team members include Albanese, Stetson, Compher, and Koenig. These four are also eligible for All-American consideration.

Adding a touch of class, was a mid season urge, ignited by senior Mike Bergman, who was consistently ranked as one of the two best side horsemen in the state. Mike's season high was a 9.0.

The Titans began the year average points per match, and by the end of the season, the team was consistently reaching 111 points, according to varsity coach Mr. Tom Neville.

Capping the season, Bergman won the state championship on the sidehorse with a final round score of 8.55.

## JV teams win five meets

South had two underclass gymnastics teams this year—the freshmen sported a 5-5 record while the sophomore team posted a 5-7 record placing it fourth in the conference.

According to sophomore coach Mr. Stephen Gale, A touch of class came with freshman Shaun Hoffmeyer.

Hoffmeyer competed on the varsity level several times during the year. He also placed in every event in the sophomore conference meet and won the over-all title, according to Gale.

The Glenbrook South varsity cagers finished their season with an 8-17 record.

Second year coach Ed Young suffered a disappointing season after his team surprised the rest of the conference by finishing third last year.

Despite the poor finish, Young still sees a touch of class out of his players. Several juniors received massive amounts of playing time, and two of the juniors, Steve Shunick and Dave Panicko, made all-conference this year.

One of South's most dramatic games this year was the last North game on Friday, February 17.

North won the second game of the traditional rivalry 60-58 in double overtime.

Despite the loss, Young cited great maturity from his team.

Young is finally beginning to see a change in the attitude of the players at South. "They want to win now, and not just play," said Young.

Sophomore eager Bruce Sanders fights for a rebound with a Maine West player

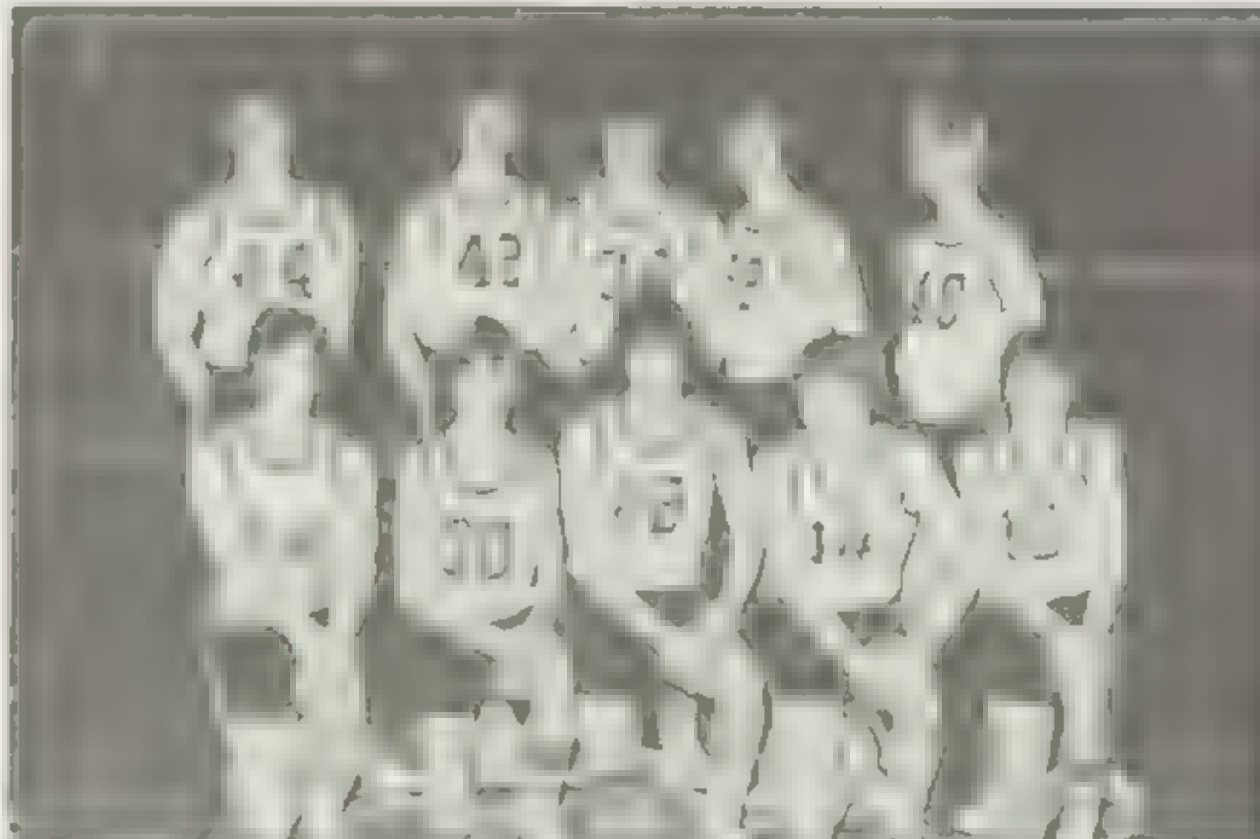

The Glenbrook South Freshman A basketball team finished its season with a "touch of class."

Its 12-7 record was the best ever posted by Freshman A team. In order to achieve his feat, South had to win 10 out of its last 11 games.

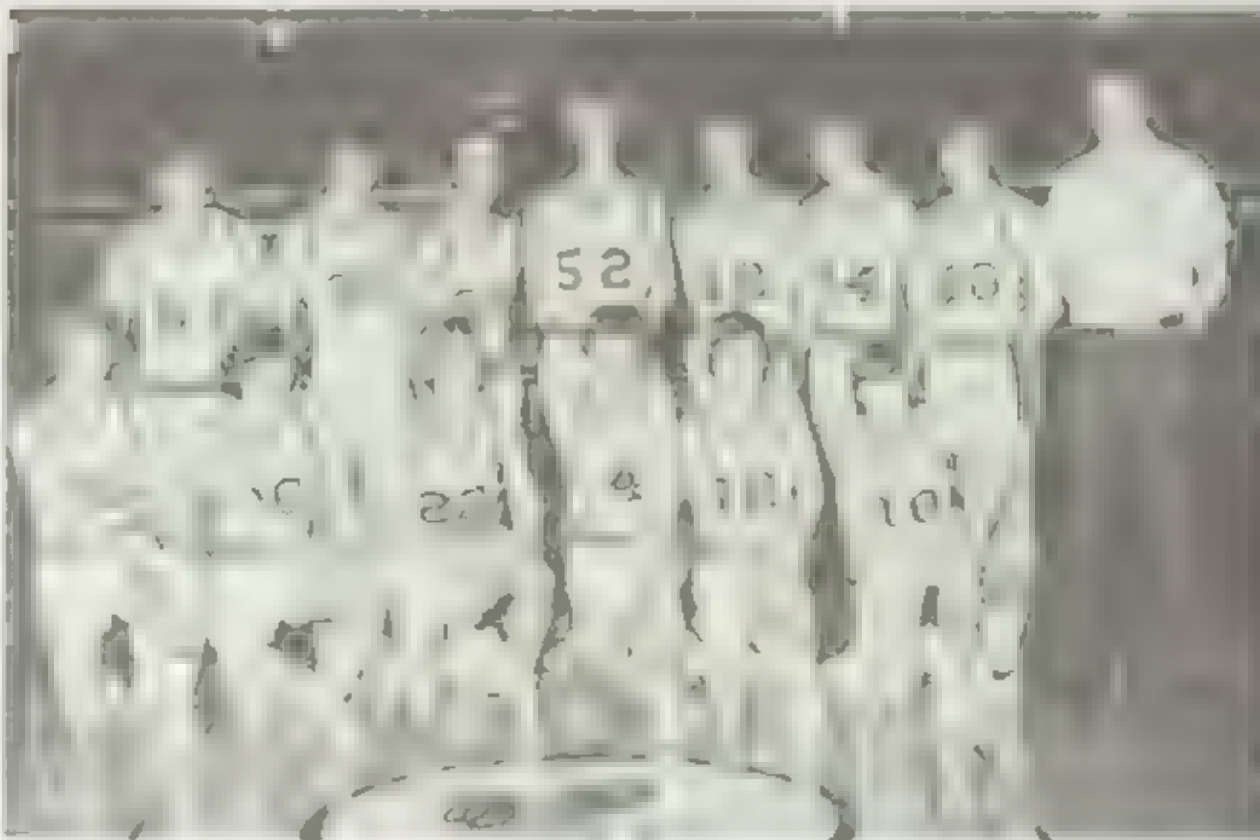

To make its poor conference record 3-7, the Fresh B team finished with a touch of class, too. It defeated first place Niles West on the final weekend of the season.

The sophomore team started the year with "a great deal of class," but finished the season by losing its last seven games after winning its first 10 games of the season. The overall record was 9-11.

# Grapplers have losing season

Four wrestlers from the Glenbrook South wrestling team made conference honors this season.

Dave Nettleton, Scott Richmond, and Steve Brody all received all-conference honors for their outstanding season. Marty Hlavacek received honorable mention for the season.

Senior Dave Nettleton (27-8) went as far as the sectionals, only to be pinned.

Brody, a junior, reached the sectionals, only to be defeated. Brody's record was 20-8-1.

"Next season the varsity grapplers should be in better position with many underclassmen and juniors returning," states Mr. Max Farley, varsity coach.

The wrestlers finished the season with a record of 2-17 and will lose four starting wrestlers next season.

# Shortage of men hurts team

The junior varsity wrestlers, coached by Mr. James Torsiello, had problems with a lack of participants this year. Although the team won 55 of its 85 matches, the team record was 0-13. The grapplers who participated showed fine performances, but because of numerous forfeits in each weight class, the team never won a meet. Dave Wilson led the team by losing only three of his matches the entire year. The JV's other top wrestler was Dave Wyatt, who finished the season strongly after a slow start. All of the JV grapplers are expected to return next year to compose the varsity team, commented Coach Torsiello.

The freshman wrestlers had an off season this year. This was caused by the lack of participants. The grapplers, however, worked hard and will add to next year's junior varsity team. Coach Steve Von Boeckman commented that the team had a "good nucleus." Sighted for their outstanding performance were Bruce Malter, Craig Ladbury, and Larry Nossbaum. Nossbaum took first at the Deerfield Tournament, with Malter taking second. Coach Von Boeckman noted that this was the high point of the season.

# Pucksters improve record

Bill Digilio takes a quick elbow to his mask.

Jeff Mussay handles the puck in order to get by

The Titan Hockey Club had a slight improvement over last year's team, posting a 7-18-3 overall record.

"The improvement is due mostly to the fact that the team got together and worked together," stated team member Larry Weng.

Kevin Skeith, Chuck Nelli, second leading scorer Jeff Mussay and the team's leading scorer Larry Weng are all credited with helping the squad's turnaround. Weng is the owner of 21 goals and 13 assists, and is also credited with being one of the best players, skaters, and stickhandlers on the team.

One surprise this year was Nick Rosetto. Probably the team's most improved player this year, Nick came on to be the starting goalie. Other standouts on team were Mike Boyajian, Bill Digilio, Carl Muckenhirn, Mike Allen, and Ernie Burkholder.

Last season's record was a dismal 2-25-1.

The girls volleyball team ended with a 3-11 regular season record. In the IHSA District Volleyball Tournament the spikers defeated the highly-ranked Highland Park Giants in the first round of the tournament. The team lost in the second round to Marillac.

Seniors on the team were Beth Clement, Sandy Alexander, and Diane Schneider. The captains of the spikers were Pam Theriault, Colleen Monckton, and Diane Schneider. # Coaches guide destinies

With its vast number of sports offerings for students, Glenbrook South employs a large corps of athletic coaches. Many of these coaches are involved in school sports the year round. In that case, their only respite is the summer season. However, this is not true for all. Several coaches are also involved in summer programs.

When the team loses, the coach usually takes the blame; often when the team wins, the coach does not get the credit he or she deserves.

To those coaches involved in this part of the educational process, GBS athletes are grateful.

# The benched...

During a game while most people are looking at the players on the field, it is easy to forget those who wait their chance to get off the bench and into the limelight. This section is for those athletes who have collected any splinters over the past sports seasons.

Sitting there can be one of the worst feelings there is. One can see the mistakes, criticize play and officiating, but all he really wants to do is get in there and do his best. Bench sitters work and practice to make perfection so when they do get in the action, their performance is their best.

For those who are active players the bench can be a relief. The players are able to rest or soothe their injuries. Benches are also used by the coaches as a meeting place to discuss strategy, game plans and upcoming games.

For many GBS students this will be a year to remember. For others there's always next year. To us **A Touch of Class** represents our '77-'78 school year. Through this yearbook we tried to represent our school and community. We hope that anyone who reads this book will find a touch of class in Glenbrook South High School and the community of Glenview.
